B. A WORD OF THANKS

To those who contributed in the promotion of our many activities in the month of December, a word of thanks is sincerely expressed. Outstanding among those events were Nutrition Week, the "Y" Leadership Institute, Faculty Banquet, special athletic events, Health Program and many programs in observance of the Holiday Season. Christmas decorations throughout the campus and the community were appropriate, as usual, and this always adds immeasurably to the spirit of the occasion.

C. CONGRATULATIONS

To this year's twenty-five Year Service Award winners. They are Mr. Issac Bennett, Sr., Dr. Ernest M. Norris, Mr. Cecil Richards, and Mr. Eli Thompson. Certificates and pins were awarded to these veteran members of the College staff during the Annual Faculty Banquet which was held in December in the Memorial Center.

D. MARCH-OF-DIMES DRIVE

The annual March-of-Dimes fund drive will be conducted at the College throughout the month of January. Prairie View participates in this important fund-raising campaign of The National Foundation through the Waller County Chapter.

E. CORONATION OF MISS PRAIRIE VIEW

A highlight of the student activity calendar is the coronation of the student queen, Miss Prairie View, which is scheduled this year on January 11. Members of the College family look forward to this outstanding annual event sponsored by the students.

F. FINAL EXAMINATIONS

January is the month of final examinations and semester changes. While specific instructions concerning these important activities will come from the Deans' and Registrar's offices, the Newsletter attempts to pass on this word of emphasis in asking for your full cooperation in carrying out these functions according to established regulations.

G. BASKETBALL

The Basketball season takes over officially this month and continues through February. The College is proud of the current 7-1 record of the Panthers and of their prospects for another successful season.
