B. FOOTBALL

October is truly a football month this year. The College will sponsor four games this month--two on neutral fields, and two at home; all four are important conference games.

PV-TSU - Prairie View is the host this year for this major battle which is always rated the most important of the year. Students and faculty members may be interested in following the Panthers on this date, October 6, and giving their moral support in this important game. Special buses will be available to carry students and faculty members to the Houston game. Round-trip bus fare is \$2.75. Tickets to the game sell as follows: Pre-sale - \$1.50; Gate tickets - \$2.00. Buses will leave the campus at 4:30 p.m.

C. STATE FAIR CLASSIC

The 38th Annual State Fair Classic is set for October 15. The Panthers will meet the Wiley College Wildcats in this great old classic. Kick-off time is scheduled for 8:00 p.m. in the Cotton Bowl.

Provisions are made for both faculty members and students to attend the Cotton Bowl game. Members of the staff who are planning to attend the game should make application for official leave as early as possible. Acceptable arrangements for classes must be submitted and approved. College groups will participate in several pre-game and halftime activities in the Cotton Bowl.

Round-trip bus tickets to Dallas and pre-sale game tickets are on sale at the reception desk in the Memorial Center. Game tickets (\$1.50) may also be purchased at the School of Engineering. The cost of bus fare and game ticket is as follows:

Bus Fare (round-trip)	\$8.20
Pre-sale Game Ticket	1.50
Total	<u>\$9.70</u>

D. ATHLETIC SEASON TICKETS

Staff members are encouraged to take advantage of the excellent saving in the purchase of season tickets for all home athletic events. The Athletic Council has these tickets on sale for \$5.00 which covers the cost of several major football games, basketball games, track meets and baseball games, a group of events well worth \$25.00. Contact Mr. L. V. Francis, Athletic Business Manager, School of Engineering, for your tickets.

E. SAFETY EDUCATION CONFERENCE

The College will sponsor its first Safety Education Conference on October 21-23. This activity is sponsored jointly by The Texas Education Agency, the Texas Safety Commission and the Texas A. and M. College System. High School and college teachers in the area of Safety Education are invited to attend. Dr. J. L. Brown, Director of Extramural Activities, is serving as coordinator.

F. ANNUAL BOY SCOUTS FINANCIAL DRIVE

The Boy Scouts Finance Campaign kick-off is scheduled for October 24. The opening kick-off meeting is set for 7:30 p.m. in the Memorial Center. The campaign will be directed by a standing committee headed by Dr. T. R. Solomon. Prairie View cooperates each year with the overall drive which is sponsored by the Sam Houston Area Council. Our local community scouting program for boys is a part of the E. B. Evans Scouting Division in The David Crockett District.

I. IN CLOSING

Vocational Education programs, temporarily de-emphasized in public discussion because of the hue and cry over Science-oriented curricula following Sputnik, are now regaining serious attention.

Roy W. Poe, editorial director of McGraw-Hill Book Company, made the above statement, adding -

We who have known the importance of vocational education in the high school program are being looked at with a great deal of favor by students and parents, and by science, industry, and the business world.

Very truly yours,

E. B. Evans
President
