F. A WORD OF THANKS

The month of March was one of the busiest of the year, and yet, the large number of activities sponsored during the past month were unusually successful. All staff members participating are to be commended for their effort.

Special mention should go to all participating in the promotion of activities of the Annual Convention of the Alpha Kappa Mu Honor Society.

G. WORKERS' MEETING

Workers' meeting will be held Tuesday, April 2, 7:30 p. m., Administration Auditorium.

H. IN CLOSING

In a recent report, "The Academic Preparation of Secondary School Teachers," 27 of the nation's scholars in teacher education stress three requirements for all teachers:

1. The ability to communicate orally and in writing.
2. The particular tool of analysis and communication provided by mathematics.
3. An acquaintance with each of the central scholarly fields. "All should be sensitive both to the rigor of statistical analysis and to the intuition of artistic appreciation."

Very truly yours,

E. B. Evans
President
