D. A WORD OF THANKS

Appreciation is expressed to all members of the staff for their services during the month of May in helping to close another successful year at the College. As usual, the school year seemed to have passed very swiftly. There are many areas of progress noted in the records, and for this we are deeply grateful.

E. STAFF MEETING

The meeting of the Summer Session Staff, scheduled June 7, will be held in Room 121B, Harrington Science Building, at 7:30 p.m. on Monday, June 7.

F. IN CLOSING

Best Wishes to all of you as we begin another term of school work, especially, those who will be away for the summer, studying, traveling, or vacationing. Again, I want to commend the staff for a very fine year of service, and I hope that the 1965 Summer term will be the best in the history of the College.

Very truly yours,

E. B. Evans
President
