One of the big events of the year is our annual game with Texas Southern University at Jeppesen Stadium in Houston. The Thanksgiving Holidays will begin at noon on Wednesday, November 23. Classes will resume at eight o'clock Monday, November 28.

H. IN CLOSING

The Spotlight is on Teaching this Fall.

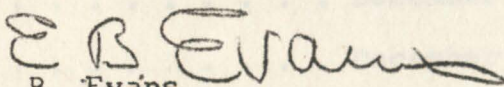

Convinced that teaching and research are partners, not rivals, many state and land-grant institutions are giving full support to efforts to improve teaching while their research involvement continues to grow. Several colleges are conducting seminars with experts discussing topics such as --

1. better classroom presentation
2. new teaching methods and equipment
3. the philosophy of learning

4. a clearing house for information in the area of teaching
5. student evaluation of instruction
6. teaching assistants
7. student motivation
8. inventory of learning resources

prove effective teaching could help to solve many other problems now plaguing the college and university campus.

Very truly yours,

  
E. B. Evans  
Acting President
