H. A WORD OF THANKS

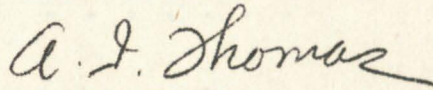

Appreciation is expressed to all members of the staff who rendered special services during the month of June. We have been successful in launching the 1967 Summer Session, and several special events held in June were well attended and very well projected.

I. IN CLOSING

All staff members are urged to give complete cooperation in planning and projecting programs and activities for the 1967-68 Academic Term beginning in September.

While most of the Summer Term is still ahead of us, including activities involved in closing the school year, we must find the time to get our house in good order for the year ahead.

Very truly yours,

A. I. Thomas
President
