DELPHIANS CLOSE HECTIC INITIATION WEEK

New Members Are Welcomed at Fifth Annual Initiation Feast Held in the Panther Staff Office in Agricultural Building

Saturday, November 17, marked the close of the most colorful "Hell Week" in the history of the Epsilon Chapter of the Delta Lambda Sigma, at which time 14 pledges were made full fledged Delphians. "Hell Week" began with 14 pledgees serving their pledgship, and they were chosen from a large amount of applicants.

Those chosen to serve were: Charles E. White, E. W. Millard, John C. Madison, Sidney Millard, John Foster, Laurence Phillips, John H. Thomas, Madison Williams, Lloyd Scott, William Hoskins, Ira C. Desroe, Leon Booker, and A. C. Herald. All of the aforementioned men, including James Hatchett, a pledge of last session, fulfilled their duties as pledges with the exception of Charles E. White who decided not to complete his pledgship at an early date in the week.

Initiation Feast Follows Initiation
The annual Initiation Feast, which was scheduled to begin at 12 p. m., November 1, in Woodruff Hall Lobby, was changed to a more appropriate place due to a little mishap on the hall earlier in the evening. Running a little behind time, the feast started at 2:00 a. m., November 18, with Brother Luke Moore acting as Master of Ceremonies. The occasion was carried out in grand style. The welcome address was delivered by President Perkins, and interesting talks were made by Ernest Bailey, a member of the Omega Psi Phi Fraternity, and T. M. Griffith, a member of the Phi Beta Sigma Fraternity. Encouraging remarks were made by Captain E. L. Dabney and Walter H. Riley, one of the organizers of the club, after which the "Big Feast" began.

The menu consisted of Dog Meat with Paddle Sauce, Tiger Milk, Pie-la-Delta, Sigma Pickles, Cream Epsilon, and Lamba Wheat. Every one enjoyed the feast and the new Delphian brothers retired for the morning with new determinations. This was the second project on the clubs program for the year, the first being the Woodruff Lobby project. The other projects will be named early in December, so stand back and watch the Delphians go by.

PRAIRIE VIEW GRADUATE RECEIVES PH. D. DEGREE

The Doctor of Philosophy degree was conferred upon Ernest M. Norris by Cornell University September 26, 1934. He received his B. S. degree in Agriculture from Prairie View in 1927 and in 1932 he received his M. S. from Cornell University. Norris was a member of the Prairie View Agricultural Staff in 1927-29. Since that time he has been agricultural teacher-trainer at Kentucky State College. He has the distinction of being one of the first Negro agricultural college teachers to receive the Ph. D. degree.

ONCOMING PRAIRIE VIEW

In our dining hall no longer do we have to strain our ears to hear what the announcer says for Prairie View has inaugurated a loud speaker system.

DRAMATIC CLUB TO PRESENT "THROUGH THE KEY HOLE"

All Star Cast to be Seen in Action

On December 6, The Charles Giplin Dramatic Club will present its second major production of the year. This three act play is scheduled to be one of the best ever presented by the club. Such stars as Irene Holley, Sutton Batteau, Luke Moore, Leo Sanders, John Foster, Jewel Price, Madey Shepherd and Louise Kilpatrick will be seen in action. This is said to be the greatest all-star cast since the presentation of "The Patsy" in 1932.

P. V. HOST TO SESSION OF NATIONAL HISTORY ASS'N

On Monday, November 12, Prairie View State College was host to a session of the Nineteenth Annual meeting of the Association for the Study of Negro Life and History.

The meeting was held in the college auditorium at 10:15 a. m., at which time the following persons spoke on various subjects:

J. J. Rhodes, president of Bishop College, Marshall, Texas; A. O. Wilson, president of Shorter College, Little Rock, Ark.; L. Virgil Williams, principal of Booker T. Washington High School, Dallas, Texas; Rayford W. Logan, Atlanta University, Atlanta, Ga.; Carter G. Woodson, Washington, D. C.

STUDENT SERVES 2ND YEAR ON NATIONAL "Y" COUNCIL

It is with a great deal of pride that we acquaint you with the fact that Miss Bonita Harrison, a member of the senior class, has been elected by the "Y" Council to serve a second year upon the National Executive Council of the "Y." In addition to the aforementioned position, Miss Harrison is co-chairman of the Southwest Region and Secretary of Finance for the schools in the Louisiana area.

It is to be remembered that all expenses incurred by Miss Harrison in discharging the above duties—attending meetings and visiting campuses—are borne by the National "Y" budget. Miss Harrison attended the National Executive Council meeting in New York City last year and is scheduled to attend the meeting again this year.

MISS PRAIRIE VIEW

MISS ARTHURYNE ANDREWS

The title "Miss Prairie View" was won this year by Miss Arthuryne Andrews of Dallas, Texas.

Miss Andrews is one of the most popular young ladies on the campus. She is secretary of the Y. W. C. A., member of the M. G. Co-ed Club, member of the dramatic club and a member of the debating society. We are glad that this versatile young lady has won the coveted title, "Miss Prairie View."

BAND ENTERTAINS AT SO. TEXAS EXPOSITION

On November 12, as a result of an invitation from the management of the South Texas Exposition at Houston, the Prairie View Band entertained with two concerts, and the Prairie View Collegians furnished several hours of entertainment.

The following excerpt is from an article in the Houston Post of November 13.

"This band composed of thirty-two talented musicians, is one of the finest musical organizations of its kind in South Texas. The program was well balanced and excellently presented."

HEAD OF MUSIC DEPARTMENT SPEAKS TO STUDENT BODY

Mr. O. A. Fuller, head of the Music Department, spoke to the student body during regular chapel hour on music appreciation.

Some points on how to listen, which are well for some of us to keep in mind, were: to give the performer a chance to interpret the composition in the most favorable circumstances; to never talk, or audibly disturb the performer or those who want to listen; do not comment about the music the performer is playing or singing—it is insulting, discourteous and rude, it shows either lack of self control or poor background to laugh aloud, talk or disturb a performer, musical or any other, unless it is designed to provoke laughter, which then should not be of the boisterous, whooping kind.

Graduates and Ex-Students Visit Campus

Many graduates and ex-students, over the week ends and holidays, came to visit friends and relatives and to view the one place where many pleasant days were spent.

From Beaumont came Misses Waurine Sprott and Mary Pratt Lea, graduates of '31, who are now teaching in the city schools there.

During the Thanksgiving holidays we saw among our many Panther followers Misses Mary Armstrong, Fannie Robinson, and Eva Armstrong of Port Arthur. Misses Sarah Averyhardt and Nannie Stewart, Messrs. Hulen Smith, Clifford Davis, and Fred Taylor, graduates of '34, also returned to witness the tilt between the Panthers and Southern.

Misses Gertrude Simpson of Beaumont, Hunt and Williams of Houston were guests during Thanksgiving.

Miss Ethel L. Branch of San Antonio, a former student, also witnessed the tilt between the Panthers and Southern.

ANNUAL "Y" DANCE TO BE GIVEN ON DECEMBER 8TH

The annual dance of the Y. M. C. A. and the Y. W. C. A. will be given in the dining hall on the eighth of December. The affair will be informal, and it promises to be the merriest and most lively dance of the season.

BEAUMONT-PRAIRIE VIEW CLUB ENTERTAINS

By Terry Charlton

On Sunday evening, November 18, the Beaumont-Prairie View Club entertained the students and faculty with a musical program in the college chapel.

The program was well prepared and rendered in the manner of experts. Many who attended stated that it was the best entertainment of its kind that has been heard at this institution, and indeed it was that and more. The interpretation of "Hold On," as presented by the chorus, was the feature of the evening.

JUNIOR CLASS ORGANIZES

Approximately eighty members of the Junior class were present at the first meeting at which time the class officers were elected for the year. The following persons were elected: President, A. C. Herald; vice president, William Pollard; Secretary, Miss Audrey Thibodeaux; Treasurer, Hugh Porter; business manager, Sutton Batteau; intramural manager, Lee Perkins; pianist, Miss Willie Hoyt; Chaplain, Colquit Yancy; reporter, Luke Moore.

The class has chosen A. C. Herald and Luke Moore as its representatives on the Student Guidance and Personnel Committee.

VESPER SERVICE

The students and faculty are enjoying the vesper services with the variety of club programs being given this year. It seems as though these city and town clubs are functioning better than ever before. The type of work, cooperation and business methods being exercised in each club is obvious, for the programs during vesper hour speak louder than words.

Programs of this sort bring to light unknown talent. They also give us an idea of the type of talent here at Prairie View and maybe some of the student organizations will stage a membership drive in order to liven them up with some of this new talent.

THE PANTHER

We, the members of the Panther Staff, wish to thank our many subscribers for their congratulations and encouragement. We highly appreciate and esteem the interest they have manifested in our paper.

Due to the many compliments that were given to our previous issues of the Panther, we will attempt to improve our paper and accept all criticisms towards its improvement.

This paper is absolutely a students publication. It is edited and published by students of Prairie View College. By the paper being printed here at Prairie View, students get practical work in journalism which they haven't been getting in previous years such as proof-reading, printing the paper and the principles of journalism.

Because of the fact that this paper is entirely operated by students, the cooperation of the student body is needed to make it a success. You have not done your part when you merely subscribe. You are to contribute articles to the staff for publication.

Student Enrollment Increases

Since the disastrous crash of '28-'29 and the arrival of the depression the enrollment of Prairie View has never reached the peak of attendance that once prevailed. This expansive campus of ours at one time held within its folds fifteen hundred students. From a low record of four hundred fifty students in '32-'33 the student enrollment is gradually regaining its former heights.

The following order is found with the Juniors having 127, the Sophomore 114, and the Seniors with 86. The number of students which are unclassified or special is 33. The total enrollment for the college department is 665, with 368 young women and 300 young men composing the group.

THE VENDOR

This year the classes at Prairie View are divided in the following manner. As is to be expected the Freshman class leads in the enrollment. Their total is 308, and the Arts and Sciences Division has the largest number enrolled in its division.

Any evening at the show one may hear some one trying to sell candy. Don't be scared it is only "Ally Oop, the Merchant." This is a new feature at the show and those that like their sweets with the cinema are apparently enjoying the addition.

THE STAFF AT WORK

EXCHANGE NEWS

College Life in the Raw

The individual who knows of college life only as depicted in motion pictures, magazine articles, and yes, student publications, must have a weird conception.

The usual descriptions run something like this:

Hollywood:—The characters are either athletes, young men in love, or young women willin' gto be in love. Time is spent chiefly in putting on neckties, telephoning, drinking, and dating. If the hero or any of his friends are studying, the explanation is always given that there is the deciding examination the next morning. Living quarters resemble a club room, and the campus looks like country club grounds.

Magazine articles:—They begin with the question of should your son or daughter go to college and conclude by answering it depends upon the type of person your son or daughter is, of which the parent is the least qualified to judge. The senior knows less than when he was a freshman (Mr. Tunis). College professors are either communists or atheists or both, fraternities and sororities are patrons to snobbery, and intercollegiate football is a big business.

Student publications:—Our college is the sorriest institution in the country. Everything about it needs reforming. The administration is narrow-minded, the food is terrible, and free thinking is taboo. Sports and society are the important news.

If the bewildered seeker of the actual conditions took the time to live in the average college community he would discover that students burning with the desire of acquiring knowledge are rare but that 70 per cent are serious about their studies, that Greek letter societies or their equivalent offer real friendship, and that college professors are doing a better job than men in most professions.

—Duke Chronicle

WHY??

By Maceo A. Sloan

This year we have had more student socials than we have probably ever had before at Prairie View. Anyway I am certain that we have had more already this year than we had the whole of last year. The students are grateful for this consideration and show their appreciation by their conduct at these affairs. Not in one single instance can one point an indiscreet act at one of these gatherings. But along with the granting, something has been taken.

All last year the young men were permitted to accompany the young ladies to Chapel service on Sunday. This courtesy was permitted this year until a few weeks ago, and then it was cut out. Why?

It is generally felt that there should be some explanation. It is possible that the act is justifiable even in the eyes of the students. If there has been some action on the part of the student which resulted in his losing this privilege, I think that he should be informed as to what this action has been. Without any knowledge of the cause, it will necessarily be impossible to avoid this same infringement if this privilege should be allowed at some future time.

WHY??

In last month's Panther appeared an article by the Campus Editors concerning the "Y." This article caused quite a bit of confusion. Some say that our charges were not justified. In looking over the Y. M. C. A. activities, one can but wonder if these charges were unjust. In thinking about these we have other problems to present themselves. One of these is the Y. M. C. A. "Y" room.

What has become of the "Y" room for men? In the Agricultural Building one can see four letters reading "Y. M. C. A." on a door, but apparently such little attention has been given to this room that now even the sign looks repulsive. With two hundred members in the Y. M. C. A., can not the men have a "Y" room again? WHY??

THE SIGMA NU DEBATING SOCIETY

By Hattie Mae Whiting

The Sigma Nu Debating Society was organized recently and the following officers elected: Miss Bonita Harrison, president; Mr. Luke Moore, vice president; Miss Ruth Love, secretary; Miss Jewel Price, assistant secretary; Mr. A. C. Herald, treasurer; Miss Hattie Mae Whiting, reporter; Mr. Maceo Sloan, social manager.

The debating society meets on the first and third Thursdays of each month. A very interesting program has been outlined for the year.

Three debates will be sponsored by the society: one, between the members of the society, another between the Alpha Pi Mu and the "Y", and the third between the men and women of the college. The first debate will be between the members of the society. The question is: Resolved: That the Dissemination of Knowledge of Birth-Control by Contraceptive Methods Should be Legalized in the United States.

The society will also sponsor an oratorical contest. All members of the college are eligible. Prizes will be given.

We are looking forward to a very pleasant and successful year under the sponsorship of Mr. J. E. Miller.

Society and Club News

MISS VERA DIAL HONORED ON BIRTHDAY

The beautiful lobby of Anderson Hall was the scene of a surprise party for Miss Vera S. Dial, Friday night, November 9, honoring her on her birthday. The evening was spent in playing bridge and whist. At the close of the evening's entertainment, Miss Dial was presented a lovely bouquet of marigolds.

A color scheme of yellow was carried out in the decoration. Several of Miss Dial's friends enjoyed the entertainment with her.

MISS JESSIE DAVID HONOREE AT ENTERTAINMENT

Miss Jessie David was complimented with a surprise birthday party on Saturday, November 10, at the practice cottage by a group of her friends who are now living in the practice cottage with her. The entertainment took the form of a bridge party.

THE NAUTILUS CLUB

Club women have launched their fall program with much vigor and constructive planning. Some evidence of this was shown on Thursday evening, November 1, when the Nautilus Club held its second meeting of the season in the living room of Evans Hall.

A very interesting program was presented by the members and friends of the club. Most notable of these was the discussion by Mrs. Pauline L. Lubin of Houston, Texas. Mrs. Lubin addressed the club on "My Impression of the Old World," and she exhibited several articles of interest which were brought from Russia.

DILETTANTE LITERARY SOCIETY

Members of the Dilettante Literary society laid aside all forms of dignity on Tuesday evening, November 13, to indulge in an hour of fun.

The meeting was held in the music studio and was conducted by Miss Mable Robinson. It was interesting to see how well college students spell little words such as romance, cat, literary, etc. The trouble in spelling these words was getting in the right place at the right time and getting there immediately.

GRANDCHILDREN'S CLUB HAS LARGE MEMBERSHIP

Over eighty students are on the membership list of the Grandchildren's Club. The Grandchildren's Club is an organization made up of those students whose parent or parents attended Prairie View at one time.

The club was reorganized for the current year on November 7, under the supervision of Principal W. R. Banks and R. W. Hilliard. The following officers were elected: Joe Larkin, president; L. Maynard Catchings, vice president; Cornelia Branch, secretary; Irene Holley, assistant secretary; Merle Anderson, treasurer; Velma Edwards, reporter; Ben Foreman, business manager Willie M. Henry, pianist; George Larkin, chaplain; and Doris Tamplin, sergeant-at-arms.

AN OPEN LETTER TO PROSPECTIVE ALPHA PI MU MEMBERS

Dear Freshmen and New Students:

Now that you have become adjusted to a relatively new environment, you have of necessity developed an attitude that you are a "part of" rather than a "part from" the activities and program of Prairie View State College. It is because of this inevitable attitude of Prairie View students that we anticipate your eagerness to become a member of the Alpha Pi Mu Honorary Society.

The Alpha Pi Mu urges you to begin today and make a careful check upon yourself both in connection with your scholastic standing, and the way in which you are spending your spare time—see whether you are properly budgeting your time—and if your actions are discreet, making possible the development of those character traits that will make for a wholesome personality. This is the check Alpha Pi Mu members make, for they concern themselves not only with scholarship but with character as well.

All bonifide students of Prairie View are eligible to membership in this organization provided they obtain a scholastic rating of 2.4 (in such a rating no grade must be below "C"), participate in extra-curricular activities, and provided their actions are not questionable. In short, the name, "Alpha Pi Mu," expresses the attitude of the society—"The only Excellence is the Excellence in Learning and Achieving."

Because we feel that you have become sufficiently stimulated by the cultural environment of Prairie View, and because such a stimulation develops the individual to his highest ideals, we are therefore looking forward to the largest enrollment we have had in this society at the close of the first semester of the current year.

Sincerely,
Bonita Harrison, President,
Alpha Pi Mu Honorary Society

DELPHIANS BEAUTIFY LOBBY OF WOODRUFF HALL

Club Plans Extensive Program

Another step forward was made when the Epsilon Chapter of the Delta Lambda Sigma undertook the project to beautify the Woodruff Hall lobby. With the help of some few thoughtful faculty members and the untiring efforts put forth by the Delphiian brothers, the lobby beautification project is well underway. The spacious, dingy and nasty lobby has been changed to a clean and colorful reception room.

The light colored linoleum blends perfectly with the newly painted walls, staircase and floor. The beautiful draperies add more color to the room. All the furnishings have not been secured yet, but the club will not consider the project completed until the room is properly furnished. This project is one of the few things in the extensive program of the only exclusive men's club on the campus, excluding the non-restricted Y. M. C. A.

LANGSTON UNIVERSITY TAKES PRAIRIE VIEW'S TITLE HOPES

KNOW THE PANTHERS

Captain Roger A. Givens, Fort Worth—"Rags, the Iron Man." Member of Panther varsity squad since 1931, has earned three letters in football. In many sections of the Southwest conference he has earned the recognition of being the roughest lineman in the conference. He is a known fighter and has a total of 12 "60-minutes" conference games, an unofficial record. As a great football player he has lived up to his reputation this season. A severe leg injury in the Texas College game will probably keep him out the rest of the season. But here, let us say—"Hats off to Captain "Raggs."

Next month, Co-Captain Thaddeus Porter.

INTER-CLASS FOOTBALL

The eagerly-awaited inter-class football season is rapidly approaching and "yours truly" has been called upon to give some pre-season dope. The latest dope says there will be four teams in the race. The "crabs" have spirit, material, and a good coach in the person of Captain "Red" Dabney, former Hampton star.

The sophs should be well in the running this year with such gridsters as "Greasy" Smith, and "Nap" Idleberg in tip-top condition. From all indications, they will be piloted by "Streak" Stanley, varsity back.

The seniors have such vets as "Warburton" Forman, Pointer, "Pig lion" Williams, "Showboat" Catchings and William "Smiff" to put up their last stand for the class of '35. This will be a hard team to win from. Mr. T. P. Dooley is the mentor.

The question mark is the champ'on Juniors. Will the team that trod over all competition last year be able to survive without the services of Coach "Mammy" Riley, "Goofus" Robinson, "J21" and "Herby" Hill? Mr. J. E. Miller will coach the last year's champions.

THE PRAIRIE VIEW-HOUSTON CLUB

By Doris Nickerson

The Prairie View-Houston Club, under the direction of Mr. G. L. Harrison, held its first meeting of the year, Wednesday, October 17. The officers elected were as follows:

Leon Richardson, president; A. C. Herald, vice president; Jewel Ramsey, secretary; Hattie M. Whiting, assistant secretary; Cecil Jordon, treasurer; Doris R. Nickerson, reporter; Delia M. Hall, chaplain; Luther Luper, pianist.

Panthers Play Fine Game at Langston

The best traditions of Anderson, home of the Langston Lions were preserved there Saturday when the undefeated Langston Lions struck quickly and then remained unyielding for fifty-five minutes in the teeth of terrific pounding to beat the Prairie View Panthers 7-0 and remove their chances of becoming co-champions of the Southwest Conference.

The Lions tore gaping holes in the right side of the Panther line and marched 65 yards for a touchdown the first time they had possession of the ball. After that the game belonged to Langston with the exception of a few minutes before the first half ended when the Panthers rose up and drove deep into the Lions' territory.

Simmons was the big noise in the Lions' winning drive. He made several nice gains through the line. Watkins and Patman played brilliantly for the Oklahomians also.

Williams, Mason, Flowers and T. Miller played an outstanding game in the backfield for Prairie View. The big noise in the Panther line was J. Thomas, W. Thomas, H. Porter and Hoskins.

Prairie View Loses To Southern U., 7-0

The Southern University Jaegers defeated Coach Taylor's Prairie View Panthers on Blackshear field Thanksgiving day to the merry tune of 7-0.

Both teams battled on even terms until late in the last quarter when the Jaegers skirted P. V.'s right end on a very beautifully executed single reverse for the lone marker. "Knees" Williams went over his own right guard to add the extra point. Williams and Purnell played well for the Louisianians, while "Rat" Thomas, and E. Jackson were the outstanding linemen and Flowers and Tennyson Miller stood out in the backfield for P. V.

CONFERENCE STANDING

HOLIDAY BROUGHT TO A CLOSE WITH AN ENJOYABLE DANCE

A dance in the college dining hall was the last of the enjoyable events on Thanksgiving Day. The Southern University football team, holiday visitors, and the student body were very merry as they danced to the lovely melodies played by the Prairie View Collegians from seven until nine o'clock.

The cadets and co-eds were noticed making the affair enjoyable to the visitors. Among those seen enjoying and making it enjoyable to others were the charming co-eds: Arthurine Andrews, "Miss Prairie View;" Marilyn Johnson, Bernice Beverly, Glodine Summeralls, Alene Hoyt and Margaret Robinson.

24 Nov.

29 Nov.

Along the Walks

Did you see Ludell Route and "Sprottie" playing in the tennis tournament?.....Well "Sprottie" is playing a more interesting game now..... Can't you see?.....Take it "Skipper" Gaines and Glodine Summerall..... To the "Wise Fools," don't be so loud, for when you quiet down you feel bad.....We notice that Miss Price is running perfect interference with H. M., and "Bud" Williams has been forced completely out of the field of play.....We advise "Bill" Pollard to take part in the Dramatic Club to curtail "Skate" Foster's style.....By the way, did you know Miss Rayford walked out on "Detective" Hynson and left no clue whatever?.....If cold weather doesn't hurry and set in some of these "Hot" Co-eds will have

to purchase a cooling system—Take it easy now, for you might slip..... "Sweet" Moreaux has more girls than a navy has marines.....It looks like Miss T. P. is losing ground, and Miss M. J. is going around with Mr. E. P., inspite of the fact that W. H. is a football player.....

Mr. L. S. says he is talking to Miss B. H. for Mr. T. C. but it looks different to us in class—beware of fakes.....Vee Vee, a hard hearted senior, has caught a "fish" and she isn't playing him cheap either..... Ethyl, the football dance will soon be over, and, then you can let the whole campus know about C. J.—wake up "Hap" Porter.....Sloan, can't you see Whitlow is on your trail.

ADVICE TO FRESHMEN

1. Don't study too hard, you still have three more years.
2. Don't guess at a question, we all know you don't know.
3. Don't sit still; it isn't expected of you.
4. Don't go to class if you'd rather stay at home.
5. Don't let your class work interfere with your socializing.
6. Don't throw trash at the trash can; the ground is much easier to hit.
7. Don't ride ponies in exams; aeroplanes are more modernistic.

FEATURES IN THE BIOLOGY DEPARTMENT

The biological seminar composed of members of the Staff, Physicians and Dentist, and some members of the Agricultural Staff, meets twice a month. There will be three visiting speakers from white colleges this year: December 17, 1934, Dr. Painter, University of Texas, who is outstanding for his work with chromosomes, will appear.

Research Program

Five senior majors are doing research, the results of which will be embodied in Theses. They are: Miss Dorothy Rayford, Mr. Chiles Washington, Mr. Alvin Grovey, Mr. Benja-

min Foreman and Mr. Ira Desroe. These individuals are working under the direction of Professors Booker and Dooley.
