YOUR WEEK

Booker T.

As it happens in thousands of communities we watched him grow from a wide-eyed, questioning child into a tall, straight, handsome youth. And though a man, full-grown, he retained much of the naivete and charm of the very young. Perhaps it was this utter disregard for sophistication that endeared him to us. We recall without difficulty his unaffected courtesy, his mannerliness, and the quiet dignity with which he assumed his part in the neighborhood. It seemed that he enjoyed being a human being. Though physically with us no longer, we will not forget, for he possessed many of the qualities we would want our sons to have. His monument is permanent because it lives with us.
