GUARDIAN

A Newsletter for Parents and Guardians of Students Enrolled at Prairie View A. and M. College

Prairie View A. and M. College

August 1971

Prairie View, Texas

As Prairie View A&M College moves ahead with plans for opening the 1971-72 school year, the students, faculty, and administration join me in extending you an invitation to join hands with the College in providing a more meaningful and relevant learning experience for your child.

PARENT AND GUARDIAN ACTIVITIES TO BE SCHEDULED THROUGHOUT 1971-72 SCHOOL YEAR...

The Association of Parents and Guardians have enlisted the support of some of our students in preparing a program of activities designed especially for the parents and guardians of our students. They plan to schedule these activities throughout the 1971-72 school year and to send you special invitations and announcements. We hope that you will mark these dates on your calendar and join your children here on the Campus.

A SPECIAL WORD ABOUT THE HEALTH AND GENERAL WELFARE OF YOUR CHILD...

As we prepare to open our school year, we cannot help but give some serious thought to the health and general welfare of our students. The College is concerned and we know that you, as parents, are concerned about how well your child adjusts and performs here at Prairie View. It would be well for each parent to make sure that his child is in tip-top physical condition before he enrolls in school. A visit to your family doctor and a thorough examination will relieve your mind about your child's health and will assure you that he has had the required shots and any other essentials.

COUNSEL WITH YOUR CHILD ABOUT THE DANGERS OF DRUG USE...

We all know of the present alarm in our Country concerning our youth and the use of drugs. We are also familiar with the dangers involved. We, at Prairie View, try to do our part by holding discussions and having speakers to inform our students about the dangers involved in drug use.

We beg you to support our efforts by having frank discussions with your child and by discouraging him or her from using drugs. Together, we may be able to make an impact on the drug problem.

SPECIAL ACTIVITIES SCHEDULED FOR AUGUST 29, 1971...

In closing, let me remind you of the Special Activities planned for Sunday, August 29, 1971, the day set aside for our very special Parents Convocation. A highlight of the day will be our 11:00 A.M. Church Service. Two of our student choirs--the Vel-Tones and the Baptist Student Choir--will be joining our Minister to give you the kind of service you would have at home.

We invite you to come for Church, visit with your children, and in the early afternoon, hear the President of the College talk about plans for Prairie View A&M. In addition, you will have the opportunity to eat with your child and to talk with his teachers.

We look forward to seeing you on Sunday, August 29, 1971. Plan to be with us.
