FAMOUS TENOR TO SING HERE

Music Department Presents Roland Hayes to Students

Roland Hayes, internationally famous tenor, will be the guest of the Prairie View student body and faculty for two days in this month. On Sunday afternoon, October 22 at 4:00 o'clock, he will be presented in a recital in the Auditorium-Gymnasium. On both days he will be available for informal visits and conferences.

Prairie View considers this visit as a very rare opportunity for the student body, the faculty and the Southwest. Mr. Hayes, one of the most distinguished artists on the concert stages, was born in Curneville, Ga. When a boy, he was moved with his family to Paducah, Ky. where his mother felt he would have a better opportunity to go to school. Here he found work in a factory that made window weights. His first idea of becoming a singer was a result of meeting an Oberlin music student at the age of seventeen. Later he rendered several series of church concerts, attended Fisk University, studied at the New England conservatory of Music and appeared on concert stages both here and abroad.

Today Roland Hayes stands as one of the great tenors on the concert stage, and one of the great singers of the time. In the year 1924, he was the recipient of the Spingarn Medal for the "reputation he gained as a singer in Europe, England, Germany, Russia, France and especially in America, where he was soloist for the Boston Symphony Orchestra, and because in all his singing he has so finely interpreted the beauty and charm of the Negro folk song." In his relation to the papers, O. Anderson Fuller, head of the Music Department here, stated: "Mr. Hayes is presenting a most unusual program of Art songs, Negro spirituals and Spirituals. In all of his songs, not only the traditional Negro Melodies but the most impressive lyrics of the masters, he sings in such a way that everyone who hears him can appreciate the music and the song."

People within a radius of one hundred and fifty miles are expected to come to Prairie View for the Sunday afternoon concert.

Randall Milholland, the tenor, who will appear in Recital Sunday, October 22.

"This is the year of the seniors. With the high honors given to them at commencement, the future looks bright for the graduating class. They are the cream of the crop, the best of the best. Their presence is felt throughout the campus, and their离去 is felt by all who have had the pleasure of knowing them. They have set a high standard for the rest of us to follow, and we are grateful for the time they spent with us.

A CHRISTIAN CONCEPTION OF FRIENDSHIP

In the Bible, a friend is someone who helps us in time of need. A friend is someone who shares our joys and sorrows. A friend is someone who stands by us in good times and bad. A friend is someone who helps us to grow spiritually.

The Value of Friendship

To have a friend is to have one of the most valuable possessions a person can possess. A friend can offer to us what no one else can. A friend can provide us with love, understanding, and support.

The Value of Friendship

The value of friendship is best appreciated by the presence of a real friend. A real friend is someone who is always there for you, no matter what. A real friend is someone who knows you better than anyone else.

The Value of Friendship

Friendship is a powerful force that can change the course of our lives. It can help us to overcome our fears, and to do what we never thought possible. It can help us to learn from our mistakes, and to become better people.

The Value of Friendship

Friendship is a gift that we can give and receive. It is a gift that we can share with others. It is a gift that we can give to ourselves.

The Value of Friendship

Friendship is a gift that we can give to others. It is a gift that we can give to friends, to family, and to strangers. It is a gift that we can give to anyone.

The Value of Friendship

Friendship is a gift that we can give to ourselves. It is a gift that we can give to our own souls. It is a gift that we can give to our own hearts.
