Enrollment Increases in Industrial Education

Several areas in the Division of Industrial Education noted a sharp increase in enrollment. This testifies to the fact that interest in the trades is at an all-time high and is continuing upward.

This increase in enrollment is due largely to the extensive program in the division as well as to the fact that the demand for skilled workers offers a great opportunity for future employment.

'Y' Leadership Institute Slated for Campus

This year the Director of Extramural Service, Dr. J. L. Brown in cooperation with associate Secretaries of the Southwest Area Council of the YMCA's, is promoting another Leadership Institute scheduled to be held at Prairie View A. & M. College December 7-9, 1956. The purpose of the Institute is to develop Christian Leadership among the youths in the Southwest Area. "An Unchanging purpose in a Changing World" has been chosen for the theme.

Three hundred and fifty youths are expected to attend from major towns in Texas, Oklahoma, Arkansas, and Louisiana.

In connection with the theme four workshop groups have been planned.

1) How do elements of a changing world affect Hi-Y and Tri-Hi-Y members?

Engineering and Physical Science Jobs Available

The United States Civil Service Commission announces that applications are being accepted for Engineer and Physical Science positions for duty in activities of the Potomac River Naval Command and in near Washington, D. C., and in the Engineer Center, U. S. Army Fort Belvoir, Virginia. The beginning salaries range from \$4,480 to \$11,610 a year.

To qualify for the lower grade positions, applicants must have had appropriate education or experience or a combination of both. Additional professional experience is required for the higher grades.

Further information and application forms may be obtained at many post offices throughout the country, or from the U. S. Civil Service Commission, Washington 25, D. C. Applications must be filed with the Executive Secretary, Board of U. S. Civil Service Examiners for Scientific and Technical Personnel, Potomac River Naval Command, Building 72, Naval Research Laboratory, Washington 25, D. C. They will be accepted until further notice.

Danforth Foundation Fellowships Available

The Danforth Foundation, an educational trust fund in St. Louis, Missouri, invites applications for the sixth class (1957) of Danforth Graduate Fellows from college senior men and recent graduates who are preparing themselves for a career of college teaching, and are planning to enter graduate school in September, 1957, for their first year of graduate study. The Foundation welcomes applicants from the areas of Natural and Biological Sciences, Social Sciences, Humanities and all fields of specialization to be found in the undergraduate college.

President E. B. Evans has named Dr. A. S. Arnold as the Liaison Officer to nominate to the Danforth Foundation two or not to exceed three candidates for these fellowships. These appointments are fundamentally "a relationship of encouragement" throughout the years of graduate study, carrying a promise of financial aid within prescribed conditions as there may be need. The maximum annual grant for single Fellows is \$1800; for married Fellows, \$2400 with an additional stipend for children.

All applications, including the recommendations, must be completed by January 31, 1957. Any student wishing further information should get in touch with our Liaison Officer.

Federal Support of Education Reported

Federal support for 81 educational programs totaled more than \$1.6 billion during the 1954-55 school year, according to a new biennial report of the Office of Education, Department of Health, Education, and Welfare.

Entitled "Federal Funds for Education," the new publication also lists many available statistics for the 1955-56 school year and for several earlier years. Values of commodities and services as well as funds are included in the tabulations.

The new total of \$1,616,654,000 is less than half of the 1948-49 sum, which was \$3,500,817,000. A significant factor in the decrease was veterans' education and training. Federal support of this program was \$2,700,184,000 in 1948-49, or about four times the amount for 1954-55.

A significant increase in Federal assistance for school construction in federally affected areas is shown. Whereas \$122,767,000 was expended for this program in 1954-55, only \$2,956,000 was disbursed four years earlier. The affected areas include districts in which Federal ownership of property has reduced taxable valuations appreciably, or Federal activities have caused burdensome school enrollments.

Miss Bobbie Rae Gee was selected by the ROTC Cadets, more than 600 men, to serve as their queen for the year. Miss Gee is a junior, music major whose home is Galveston. She is the daughter of Mrs. Ruth E. Gee of 3515 Avenue N 1/2, Galveston.

Dr. Cash Speaks at South Texas YMCA Conference

During the weekend of October 26-28, 1956, Dr. W. L. Cash, Counselor at Prairie View, spoke to the delegates attending the South Texas Sectional Conference at Wimberly, Texas. The conference site was the Houston YMCA Camp which is about sixteen miles from San Marcos, Texas. Attending the conference were delegates from Texas University, Southwestern at Georgetown, Texas A. & M. Texas Southern University, Sam Houston State Teacher's College, and Prairie View, also regional staff member Mr. Ned Linegar, and national staff member Miss Odile Sweeney. Miss Sweeney returned to the Prairie View campus with the P. V. delegation to visit with the advisory board and the administration Monday, October 29, 1956.

On Friday night the meeting opened with group singing and introductions after which the presiding officer presented Dr. Cash who spoke on "What it means to be chosen." In his speech he showed the critical time and situation in which we lived and established a need for good Christian leaders and leadership. Since the theme of the Conference was "You are Chosen for Christian Leadership," he said, "is not restricted, but available to all who possess something by which one can propagate the Gospel of Christ Jesus." Some of the different areas where Christian leadership is needed are: social, political, religious, economics, and campus leadership.

There was a period of discussion following this talk, a break, and closing worship presented by the delegation from Sam Houston. Dr. Cash followed his first speech with a second one in the Saturday morning session dealing specifically with Christian leadership on the campus.

The delegation broke up into special interest groups during the latter part of the Saturday morning and evening sessions, dealing with leadership in social life, political life, religious life, and economic life. Many interesting questions grew out of this discussion period such as "Can A Christian become a Millionaire while risking the ruination of one's own reputation?"

Saturday night was left for recreation. Some delegates square danced on the tennis courts and others gathered around a bonfire to listen to the Argie-Baylor game. On Sunday morning after a report from each interest group and a discussion period, Miss Odile Sweeney co-ordinated the reports and spoke on the meaning of being chosen for leadership in the YMWCA.

After this session the delegates climbed a fairly steep hill leading to the open air chapel for closing worship at which an offering for

President E. B. Evans Named Chairman

By Dr. J. L. BROWN

President E. B. Evans and Dr. J. L. Brown attended the meeting of the Executive Committee of the Community Development and Youth Leadership Committee of the Southwest Area, YWCA, which was held in Dallas, Texas on October 12 and 13. At this meeting, President Evans was named Chairman of the Committee. He succeeds Dr. W. R. Banks who served as Chairman of the Committee for approximately 10 years.

The first meeting will be held at Prairie View December 7, 1956. It will consist of leading citizens from all parts of Texas.

The aims are:

1) To be concerned for the development of YWCA program in the communities, with special emphasis on undeveloped areas where there is not any YMCA work at the present time. This also includes working cooperatively with the Student Administrative Committee to help stimulate and organize YMCA Student Associations on college campuses that do not have Student YMCAs.

2) To encourage the development of YWCA Affiliated Community Committees upon which Negro laymen give leadership in policy-making and planning.

3) To encourage the strengthening and development of leadership training institutes for youth and adult leaders in which youth and adults of color will have full opportunity for participation and leadership.

4) To encourage the development of in-service off-campus training and field work experiences for college and university students in YWCA community development.

5) To establish policies under which the area staff associates assigned to the portfolio of Community Development and Youth Leadership may follow.

6) To establish quotas and raise money for the support of the work of the committee in the fields of community development and youth leadership.

7) To assist laymen and secretaries of color now giving leadership in metropolitan and urban YMCAs whenever desirable, to improve their leadership skills and to assume their responsibility in policy making and financing for the work of metropolitan and urban YMCAs.

Federal Agencies Need Accountants and Auditors

The U. S. Civil Service Commission has announced that applications are still being accepted for accountant and auditor positions with starting salaries of \$3,670 a year in various Federal agencies in Washington, D. C., and throughout the United States.

To qualify, applicants must have had appropriate education or experience of possess a CPA certificate. Those who qualify on the basis of experience only will be required to pass an accounting test to demonstrate satisfactory knowledge of accounting principles.

Full information and instructions on filing applications are given in civil service announcement No. 51 Revised which may be obtained from many post offices throughout the country or from the U. S. Civil Service Commission, Washington 25, D. C. Applications will be accepted until further notice.

World Student Christian Federation was taken.

Conference co-chairmen are Dan Winship, a senior at Texas A. & M., and Ruby Freeman, a junior at Prairie View A. & M.

ROTC Sponsors Memorial Program

The R. O. T. C. organization at Prairie View A. & M. College sponsored a memorial program for Veterans' Day November 11 with Colonel West A. Hamilton, U. S. Army Retired, of Washington, D. C. as principal speaker.

Colonel Hamilton, who is a former professor of Military Science and Tactics at the College, also dedicated a new rifle range in ceremonies at three o'clock Sunday afternoon. The visiting speaker spent several years at Prairie View before his retirement and is credited with laying the foundation for the excellent military program at the College at this time Lt. Col. Thomas H. Wright is in charge of the Prairie View Unit.

The R. O. T. C. regiment at the College is composed of 615 cadets. The instructional staff, in addition to Colonel Wright, includes thirteen regular army officers and non-commissioned officers.

Industrial Education Department Starts Intern Program

The Division of Industrial Education has projected an intern program in several areas of the Division. These areas include Plumbing, Cooking and Baking, and Electricity.

The major objective of this program is to give each student some "on the job" experience in his particular trade before graduation.

During the summer months, in co-operation with the Texas Hotel Association, several students in the Cooking and Baking Department worked in Hotels and Camps throughout the State. Some of the Hotels which these students were employed included the Jack Tar of Galveston, State of Dallas, and the Melrose of Dallas.

The Department of Electricity also began an intern program during the summer. Its first student intern was employed by an Electricity Contractor in Houston, Texas.

The Plumbing Department, which initiated the intern program, continues to place its interns in selected localities throughout the State.

Question: What's funny, honey? Answer:

Sticklers!

IF YOU'RE A SMOKER who's never tried a smoke ring, get in there and start puffing. While you're at it, remember: Lucky smoke rings come from fine tobacco. This makes no difference to the smoke ring, but it does to you. You see, fine tobacco means good taste, and Luckies' fine, naturally good-tasting tobacco is TOASTED to taste even better. So make your next cigarette a Lucky, and call your first smoke ring a Proud Cloud.

Blocked punts, fumbles and pass interceptions were the order of the day, but the action also included brilliant defensive play and good running by Prairie View's William Stell, Harold Campbell and

Panthers Rout Arkansas State, 46-6

The Prairie View Panthers proving their supremacy through ground and aerial attacks, stalked the Lion team from Arkansas by a score of 43-6. The game was played on the Panthers Blackshear Field at 2:00 P.M. October 27, 1956. The Panthers got off to an excellent start early in the first quarter, and as result of fine play, Scott touchdown from the Arkansas 7 to start the Panther rally. With the Panthers working as a perfect machine throughout the game, they turned the steam on in the second quarter of play and drove toward the Lion goal line to pile up another Panther T. D. This tally resulted from a long, beautiful pass from aerialist James Rickett to Lewis and a lateral to Cormier. Arkansas made their stand early in the third stanza resulting from a Panther fumble and Lion recovery, and a goalward drive for 33 yards and pay dirt. Their try for extra point was no good. Captain Heron Tibbs executing a "key block" for HB Calvin Scott on a 45-yard run enabled the Pantherland team to score again. The try for extra point was good, and the scores stood P. V. 19-Arkansas 6. The fourth quarter was filled with a variety of football tactics and excellent demonstrations. Scores resulted from a 15-yard field goal kicked by Harold Campbell, a 20-yard dash by Shaw, an Arkansas fumble and P. V. recovery by Sewell, and tally for 46-yards, a pass from Bowns to McKee respectively. The Panthers in complete control of the game from the whistle to the end of the game tallied time and time again and as a result, stalked the Arkansas team by a margin of 43-6.

Grambling Swamps Panthers 46-0

The Grambling Tigers halted the two consecutive game winning streak of the Prairie View Panthers in Grambling, Louisiana, November 10, 1956 by a score of 46-0. With the mighty Grambling team dominating all the scoring opportunities, they struck time and time again from long runs, pass interceptions and recovered fumble which eventually led to tallies and the second straight Grambling win over the Panthers.

Humble Oil Presents 'Texas in Review'

A look at modern football equipment used in a typical college and the most exciting plays from three Southwest Conference football games will be features of The Humble Company's TV program, Texas in Review, next week. Texas in Review can be seen Monday (November 19) over KPRC, Houston, 9:30 P.M.

DOING THEIR SHARE... No one can say that the cheerleaders are not doing their part in keeping the spirits high during game time. Hats off to the fine work of this group. Watch them really perform on Homecoming.

own 9-yard line where James DeWalt blocked a punt attempt and converted for a Texas College score for the Steers as he drove repeatedly for a 56-yard total to the Panther 2. Quarterback Charles Smith carried for the TD. The fourth period was all Panther action with Campbell leading off in 52- and 5-yard runs to break the tie. Stell intercepted Smith's pass and raced 35 yards for the go-ahead score, and later James Rickett connected with halfback Robert Shaw in a 20-yard aerial to gain a comfortable lead. Rickett's pass to Frank McKee was good for the closing score. There was not an extra point made all afternoon.

J. Paul Sheedy* Was A Scardy Cat Till Wildroot Cream-Oil Gave Him Confidence

Poor J. Paul yeldt too scared to ask for a date—he just lacked confidence because of his messy hair. Den one day his roommate said: "Sheedy, get Wildroot Cream-Oil. It'll keep your hair handsome and healthy looking, and I ain't lion." So J. Paul put the bite on him for some money and pussyfooted down to the store for a bottle. Now he's the pride of the campus, manely bewlachs his hair looks so good... neat but not greasy. Wildroot has no alcohol to dry your hair, instead it contains Lanolin, Nature's finest hair and scalp conditioner. So be cagey, try a bottle or handy tube of Wildroot Cream-Oil yourself. It's guaranteed to make you a roaring success on campus. *of 131 So. Harris Hill Rd., Williamsville, N. Y.

K. O. B.'s Plan Activities

The K. O. B. Social Club is off to a very successful beginning for the 1956-57 school term. The first anticipated activity for the year was that of probation for the newly pledged potential K. O. B.'s. The period of probation was an experience of enjoyment for the little worms "says the pledgees." This is only the beginning. Keep an eye on us and see what the ending will be for there are many more well planned activities scheduled for the year.

Ike and Nixon Favored By Students in Election

On Wednesday, October 31, 1956, the Political Science Club conducted a mock presidential election and a public opinion poll at Prairie View.

The immediate purpose of this activity was to give the students the opportunity to vote for President and Vice-President of the United States and to check their attitudes on several major issues of current importance. The basic object of the project was to stimulate interest in and knowledge respecting the privileges and responsibilities of citizenship.

Results of the Public Opinion Poll were:

- Whether the voting age in Texas should be lowered to 18.
Yes 835 or 68.8%
No 371 or 30.6%
No opinion 8 or .7%
- Whether Eisenhower is better for civil rights.
Yes 650 or 53.8%
No 552 or 45.6%
No opinion 9 or .7%
- Whether Eisenhower is better for peace.
Yes 633 or 52.1%
No 538 or 44.4%
No opinion 44 or 3.6%
- Whether Stevenson and the Democratic Party would promote prosperity.
Yes 591 or 48.5%
No 572 or 46.9%
No opinion 56 or 3.6%
- Whether the United States should agree with Russia to stop H-Bomb testing immediately.
Yes 625 or 52.7%
No 500 or 42.3%
No opinion 56 or 4.7%

The Democratic candidates, Adlai Stevenson and Estes Kefauver received 592 votes. The Republican Party Candidates, Dwight D. Eisenhower and Richard Nixon, received 605 votes.

Thus, the Republican Party Candidates, Dwight Eisenhower and Richard Nixon won the Prairie View Mock Presidential Election by a margin of 13 votes out of a total of 1,200 votes cast.

B.O.I News

The B. O. I's are striving for another successful year, in keeping with their club meaning "Loudly creators of new ideas." The B. O. I's expressing their school spirit, helped build the P. V. Panthers ego enough to win their first football game by sponsoring one of the largest Bonfire-Pep rally's ever witnessed by P. Vites.

The B. O. I's have on their agenda in the immediate future a vesper program and a Pre-Thanksgiving Banquet.

The Homecoming Day Parade was rained out, but that did not prevent the B. O. I's and their sister club, the K. O. B.'s from coming back on Monday to take first place in the club floats. The Baron Queen is Miss Norma Burleson of Dallas, Texas, a senior, majoring in music. Miss Burleson in her lovely attire added grace to a very worthy float.

The Homecoming weekend brought some of our older brothers back to the Baronage. They were Lieutenant's Hollis Brashear, Jessie Maxie, Henry Huckaby, Johnnie Forte and Professor Robert Nolan. The Barons spirit was not dampened by the rain, for the reunion between brothers and sponsor brothers, A. C. Alexander and Brother Edward Martin was an inspiring event.

Club Crescendo in action at their smoker given in honor of potential pledgees.

Club Crescendo Off to Good Start

The school year of 1956-57 has been our greatest year for the most popular club in operation. This year we find sixty-two potential members for Club Crescendo.

October 24 marked the first of a series of cultural programs that are rendered to promote cultural understanding and advancement for the aspirants of Club Crescendo.

The first cultural session consisted of the following elements: A panel Discussion given by Twenty-Sixers Jo Ell McCauley, Shirley Ann Brown, and Elizabeth Johns, with Rosemary Pigford moderating. A question and answer period followed the panel.

Another aspect of the panel which was very interesting was the discussion of the proper attire to be worn on different occasions.

Social behavior of young men toward young ladies was also stressed.

Other cultural events to be sponsored by the club are: November 7, 1956, A Music Appreciation Lesson by Mr. Don White, Department of Music; November 21, 1956, Exploration in "Who am I" by Mrs. Delia Ellis Hunt, Department of Home Economics; December 5, 1956, Contemporary Art by Miss Pearl Sewell, Department of Education; for the month of January, Dr. Ann Campbell and Dr. Jack Echols will be presented.

These and other events will be held for the benefit of potential members as well as the club membership.

We are proud to acknowledge that Brother Holland E. Bynam has achieved the D. M. S. for the school year.

4-H's Scheduled to Meet

District meetings were held in observance of National 4-H Achievement Week. The Northern District meeting was held at Palestine, Texas, November, 8-9. The Southern District meeting was convened on the campus November 15-16.

The 4-H members participated in many skill testing contests. The contests were baking, canning, citizenship, dairy, electric (individual), field crops, clothing, food preparation, forestry, frozen foods, garden, health, home improvement, leadership, poultry, safety, soil and water conservation, and tractor.

Many County Agents and Home Demonstration Agents were chosen to serve as judges for the various contests. The judges were:

Mrs. Opal Washington, Austin, Texas; Miss Julie L. Coleman, Wharton, Texas; Miss Vera S. Dial, Houston, Texas; Miss Alice Kinchion, Victoria, Texas; Mrs. Lovie M. Hill, Hempstead, Texas; Mrs. Roberta Moore, Liberty, Texas; Mr. Milton White, Bellville, Texas; Mr. Eddie E. Harrison, Brenham, Texas; Mr. Charlie Mays, Wharton, Texas.

The winners of the contests will be eligible to participate in the State contests to be held on November 28, here on the campus.

Enlarging the Baronage. There are approximately fifty young men going through the observation procedure for knighthood period. These young men are of very high collegiate caliber. LUCK TO ALL OF THEM.

Until the Panthers prowl again, watch for the GREEN and WHITE.
