Arts and Sciences

Students Discuss Academic Problems With College Profs

For the first time in recent years the students of the School of Arts and Sciences, numbering 1,356, had an opportunity to meet with their Dean and Department heads. This happened last Monday, March 26, when Dr. T. P. Dooley, Dean of the school, called the large group together in what he described "an old-fashioned get-together." Dean Dooley stated that he wanted arts and sciences students to feel a sense of belonging-and that they had someone with whom to discuss their

General college requirements were discussed and departmental heads answered many student questions regarding these problems. Students were also interested in the significance of grade points and what they really mean.

The Arts and Sciences Dean explained a new regulation pertaining to absentees, and cleared up several problems in the minds of students.

President Evans Speaks At Bellville NFA Show

President E. B. Evans was guest speaker at the Second Annual District IV New Farmers and New Homemakers of American Livestock, Poulty Show Homemaking Displays which was held at the Austin County Fairgrounds in Bellville, March 16-17.

Dr. Evans spoke on the subject, opportunities in Agriculture and Home Economics during a general session program which attracted a large crowd of visitors from the south Texas area.

Six prizes were awarded in the various classes for swine, poultry, beef and dairy cattle and for educational exhibits. Gulf Oil Corporation, Houston sales division contributed \$300 for the purpose of purchasing livestock and poultry for the show. Sears, Roebuck & Company's swine improvement program was also a feature of the exhibits.

W. D. Thompson, district supervisor, Agricultural Education, and Mrs. Ruby Fuller, district NHA advisor, Prairie View, assisted in the arrangements for the show. E. B. Wedgeworth, and Mrs. R, M. Hunter, Austin County Teachers of Vocational Agriculture and Homemaking were local co-ordi-

J. Richmond Johnson, talented young violinist will appear here on April 4, at 7 o'clock in the Auditorium Gynasium. This event will be the fourth presentation in the Concert and Lecture series presented at the college.

All American Newsreel **Will Cover Activities** Here Thursday

Representatives of the All-American News will visit the college Thursday, March 29, to make newsreel pictures of college ac-

Both student and faculty activities will be considered for this national publicity.

Oak Ridge Representative On Science Lecture Series

Representatives from the Oak Ridge Institute of Nuclear Studies and several outstanding specialists in the field of science are scheduled on a Spring Semester lecture series at Prairie View A. & M.

Dr. Jurg Waser, professor of Chemistry at the Rice Institute ple won in the A-1 bracket. headed the list of speakers for the Spring term when he spoke January 8, on "Seeing The Molecule." Dr. J. Brian Eby, independent geologist of Houston was a February guest lecturer on the topic "Science in the Southwest," and Dr. C. W. Shepard, one of the Oak Ridge representatives discussed "Interpretation of Isotope Experiments."

They are being presented on periodic science group programs by the science faculty and departmental club in a special effort to promote and encourage scientific research.

Rice Institute's Department of Chemistry also was responsible for the services of J. W. Daugherty who addressed the group March 19, on "Intermediary Metabolism of Some Internal Parasites."

Persons invited for the remainder of the year include Dr. Edward S. Lewis, Rice Institute, March 26; E. Wischhusen, Oak Ridge Institute, April 4; Dr. Robert Plunkett, Rice Institute, April 9; Dr. William D. Walker, Department of Physics, Rice Institute, April 16; and Dr. T. P. Dooley, Dean of the School of Arts and Sciences, Prairie View, April 30. E. W. Guinn is the sponsor of the College Science Club. Dr. E. E. O'Banion is chairman of the

Standifer Completes Fort Bliss M.P. Course

Pvt. Joe E. Standifer, a Prairie View graduate of 1950 has recently completed the Fourth Specialized M. P. School at Ft. Bliss, Texas. Pvt. Standifer is assigned to the City Patrol in El Paso, Texas; he is also a member of the 591st M. P. Company at Ft.

Elaine Cypress Graham, New York Model, will be a guest artist at the Annual Fashion Show to be staged at Prairie View A. & M. College on March 29.

The School of Home Economics at the college is planning one

of the most elaborate shows in the long history of these affairs. Homemaking teachers from all over Texas are expected to return to the "hill" for the showing of the latest in fashions. Miss Delia Mae Ellis and the entire Home Economic staff will

be responsible for arrangements.

Gladewater's Weldon High School won top honors in Class AA-1, while Carver High, Baytown, topped the A Class bands, and Dunbar High School of Tem-

Second division winners in their respective classes were Central High School, Galveston, AA; Pemberton, Marshall, AA-1; Freeman, Caldwell, A; and Sam Houston, Huntsville, A-1.

Other bands included in the annual state contest were: Emmett Scott, Tyler; Wheatley, San Antonio, AA Class; Dunbar, Texarkana, and Lincoln, Dallas, Class Crockett, and Mt. Pleasant.

Trophies were awarded to first and second division winners by President E. B. Evans of Prairie View during ceremonies held in the college gymnasium Saturday night. The day's crowded program included concert selections by the organizations during the morning periods, and competitive marching in the afternoon.

Band Director H. M. Crockett and Assistant Director B. D. Davis of the University of Texas Longhorn band were the judges for the contest. A special band committee of the Interscholastic League at Prairie View, which included Bradley G. Moore, Director of Prairie View band; L. E. Perkins, co-ordinator and Naomi AA-1; and Class A-1 schools in Goodloe, recorder, were in charge Sherman, Wharton, Sulphui of local arrangements.

EDITORIALLY SPEAKING

T. I. S. A. Membership ---**Opportunity Knocks**

Prairie View's delegation to the Texas Intercollegiate Student Association reached a new low in taking advantage of opportunities for progress. They actually refused to apply for membership in T.I.S.A. after the former "lily-white" organization agreed to accept Negroes. Simultaneously, our lesser developed (?) sister school, T.S.U. accepted membership and began activities as regular members of said organization. No logical reason is conceivable for such unwarranted action. The delegation, by the way, consisted of one student and one faculty member, who served in an advisory capacity.

This opportunity was a result of decades of struggling by Negro students—and it was refused. It was something that the students wanted, and still want. Is it fair for the decision of a single individual, whether he be faculty, student, to decide that we do not want such a thing? No, but definitely, it is not!

Prairie View, which is older and reputedly more established and more mature, has passed up one opportunity of the decade. I, being moderately familiar with the organization, can mention to you the following desirable advantages which could be derived from membership in the

- 1. The close association between our delegates and delegates of other schools, which would stimulate Christian brotherhood.
- 2. Knowledge of the activities of and limitations upon other student councils.
- Maintain a close contact between our campus and other campuses-and I ask anyone to show me a disadvantage.

Now, dear delegates, here is my advice to you. Since you represent the students, why don't you find out what the students want. That would much more accurately comply with the modern concept and logicality. That is what the other schools represented did. The mere fact that Prairie View was invited indicated that we were desired as members. Your actions rather than your failure to act probably has delayed the progress of the Negro considerably-objectively thinking from a long range point of view. -J. Randolph Lee.

THE HAPPENINGS

It seems as if winter is finally Banks who are your latest ingiving away to the charm and beauty of springtime.

Romance seems to be budding around the campus with the springtime; that is when we consider the many beautiful engagement rings flourishing about.

The Juniors have begun making plans for the Junior-Senior Promenade; it promises to be one of the best proms yet.

Celester Alexander and Waymon Webster seem to be a true picture of romance.

Arthur Jean Milligan and Earline Wil ots seem to be in a daze since Uncle Sam seems to have definite plans for some of their "best pals," eh!

The winner of the Miss Charm Contest should definitely be proud -charm is a virtue.

Aurva Woodson and Fayetta going.

Elvie Johnson who is the young man who wishes to "know you better" why give him the brush-

It must be love that Gaynell Reese and Alice Wills have for their off-campus boy friends; they're so true.

Gloria Thomas, you seem to be doing all right for yourself (in the way of romance) since you so recently came to our dear Prairie View.

Doris Jernigan have you found that "happy medium" in James Payne, here's hoping you have.

Everyone seems to have enjoyed the first student dance a great deal. Maybe they should be held more often.

Till later. . . . Keep everything

MISS PANTHERETTE --- DOTTIE BELLINGER

MISS PANTHERETTE — DOROTHY BELLINGER

Our Miss Pantherette for this week is winsome Miss Dorothy Bellinger. Dottie (as she is called by friends) is a junior in the field of elementary education.

The vital statistics of Senorita Bellinger are: waist 26, bust 36, hips 40, thigh 23½, calf 14½, ankle 10, height 5 ft. 9 in., weight 155.

Dottie's favorite actor is Richard Widmark and Ivory Joe Hunter is her choice of a vocalist. She likes pecan pie, reading and writing letters.

Her most exciting experience was when she took her first trip to California and saw the Golden Gate Bridge.

Dorothy is the winsome daughter of Mr. W. J. Bellinger and Mrs. Annie B. Lee of San Antonio, Texas.

P. V. Grad of 1889 Honored

(Continued from page 1)

Prairie View students and other interested lay persons from over Dr. Smith, who has served as

both physician and dentist for the past 50 years, received appointment to attend Prairie View shortly after a legislative act to train Negro teachers at the institution. He received a certificate from the college and entered upon a seven-year teaching career before entering the Medical College of Nashville.

The four-day convention featured the services of some of the leading white and Negro specialists in the medical field. The University of Texas and Baylor Med- in sponsoring the service.

ical Schools provided consultants in the area of obstetrics, pediatrics, chest surgery and syphillis. Dr. Herbert J. Erwin, head of the department of Neuropsychiatry, Homer Phillips Hospital, St. Louis, Missouri, spoke on psychiatry in private practice. Dr. W. A. Younge, St. Louis; W. Roderick Brown, Pittsburgh, Pa., and William L. Smiley, St. Louis, conducted clinics on internal medicine, tuberculosis and obstetrics. Dr. A. L. Hunter of Marlin is president of the Lone Star Medical Association, one of the sponsoring agencies for the annual inservice institute. The Texas Tuberculosis Association and the Texas State Department of Health also co-operated with Prairie View

COLLEGE GIRLS CHEER HADACOL

Hadacol May Relieve Cause of Troubles When Due to a Lack of Vitamins B₁, B₂, Niacin and Iron, that Interfere with Fun and Studies!

The marvelous benefits of HADA-COL, today's great nutritional formula, are equally helpful to young and old alike who are suffering from a lack of Vitamins B₁, B₂, Iron and Niacin.

Here's what these two pretty coeds, who may have been suffering from such deficiencies, have to say: "We are two college students writing you this letter. Before taking HADACOL we were nervous, restless and unable to sleep at night. We found we were foggy all day and ached all over. Now after taking only 3 bottles of HADACOL we are different persons. We are full of life and energy and our aches have completely disappeared. Thank you for your wonderful discovery of that remarkable product, HADACOL."

At left: Miss Irene Sikentanz, 3323 Cleveland Avenue, Port Huron, Mich.

This is typical of thousands of letters telling how HADACOL relieves the real and basic cause of deficiency distresses. For HADA-COL provides more than the minimum daily requirement of Vitamins B₁, B₂, Niacin and Iron, plus helpful quantities of Phosphorus and Calcium. It builds up the hemoglobin content of the blood (when Iron is needed) to send these precious Vitamins and Minerals surging to every part of the

body and to every body organ.
Why not find out today why thousands say, "Only HADACOL gives you that Wonderful Hadacol Feeling." At your druggist: Trial size only \$1.25; large family size, only \$3.50.

SENATOR DUDLEY J. LE BLANC The Best Friend You Ever Had

Senator LeBlanc has been in public life since he was quite a young man and has always advocated the cause of the oppressed and downtrodden. It was he who introduced the law in Louisiana that gives every deserving man and woman in Louisiana a pension of \$50.00. It was he who introduced the law creating the office of Service Commissioner, the duties of which office is to see that every deserving ex-soldier and veteran receives his just reward from the Federal and State Government. It was he who has consistently fought the battle of the school teachers in the halls of the legislature. He worked

Senator Dudley J. LeBlanc

which office is to see that every deserving ex-soldier and veteran receives his just reward from the Federal and State Government. It was he who has consistently fought the battle of the school teachers in the halls of the legislature. He worked untiringly for the farmers and

lady, and when I saw your picture, I smiled for the first time in over a half year. Miss Gertie please send me one of your pictures, so I can sit it by my bed to look at. I am in the hospital now. I read where you were going to be a nurse, and if I am not well by the time you finish, I want my mother and father to hire you for my nurse. Please, Please send me your picture Miss

Gertie because I believe it will help to get me well.

Pray for me to get well.

Always your admirer,

Shirley Carter

Miss Foreman, having been very touched by such a sweet letter, brought it to the attention of Joseph R. Lee, then the Managing Editor. Lee then wrote Shirley asking for a picture and information about herself. It seems that Shirley lost the address of the editor. However, she wrote the following letter to Miss Foreman:

Borger, Texas February 23, 1951

Dear Miss Gertie:

I received your sweet kind letter and I want you to know that it found me doing much better.

Miss Gertie, I am sorry I was so long about writing, but when I got your letter, I was very sick. I have had another operation for my leg, and I am just now feeling

well enough to write.

Miss Gertie mommy told me yesterday, that you might get tired of me because I am only a little girl 13 years old. But you won't get tired of me for real, will you Miss Gertie? I know you won't because you are so sweet and pretty. Tell Miss Gertie . . . me when you have time, because I'll always look for a letter from

P.S. Please don't forget my pic-

Your little friend, Shirley.

P.S. Miss Gertie I received the letter from your PANTHER, paper Editor. But I lost their address, so please let them make a picture from the picture I am sending you. One is when I was two and the other is now. I was 14 yesterday, so wish me a happy Birthday and a speedy recovery.

Don't forget to pray for me to walk. Miss Gertie mommy says you may keep the picture of me when I was 13. But if you will please send the one when I was 2 years old. Back in the next letter because it is the only one she has of me when I was that small.

Students!

Panther Baseball Team Has 2-3 Record

The Prairie View baseball team seems to be headed toward a very fine season. The won-lost games to date stand at 2-3. They, too, will invade Xavier University on the 28th.

The team is well balanced with such hurlers as McDavid, Mooring and the fire-baller "Pick" Brown, and the Panthers have some pretty good power hitters in the line-up.

Panther Track Stars Ready for Xavier Meet

The Prairie View Thin Clads have been undergoing deliberate and intense training sessions despite the ever-changing weather.

Our first meet will be the very Popular Xavier Relays—The Panthers anticipate walking away with the big team trophy that is in the offing to the teams scoring the highest number of points.

Prairie View has a host of stellar athletes—one of whom has equaled Jesse Owens 9.4 second record in the 100 yard dash—he is Wendell Davis, former Arizona state thinclad. In the muscle events the Panthers are fortified with such men as Big Ed. Deo, Donald Grace and yours truly, Frank Cannon.
