ENGLISH MAJOR ACCEPTED IN SUMMER PROJECT

Delores Payne Burbank, junior major in the Department of English, Prairie View, Texas, has received notice that she has been accepted as a participant in the Chicago Community Service Project, one of the national summer projects of the Student YMCA and YWCA.

The Project is sponsored by the Geneva Region Councils and administered by the YWCA Geneva Region Office.

Miss Burbank will live on the Chicago University campus and will share with students from all parts of the country in work of one of the big social agencies of Chicago.

Along with other students who will participate in this Project, the PV Coed will have an opportunity to understand life in a large American city through work experience in social agencies, and to see the

Seniors Elect “The Mosts”

The graduating seniors of May, 1954-55 got together in a huddle among the members of the class.

The results are as follows:

MOST OUTSTANDING MEMBER, and MOST LIKELY TO SUCCEED—Cecilie Roy.

BEST PARDONING STUDENT, Edwiniene Fleeks.

It could have been anticipated that Gail Johnson, “Miss Prairie View,” would have been chosen as the MOST POPULAR GIRL.

In addition to the “two mosts,” accorded Cecilie Roy mentioned earlier, he was also voted MOST POPULAR BOY.

Nola Jane Simon, who resigned as “Miss KOTT” for the year, was selected as MOST BEAUTIFUL GIRL.

Not only is Charles Haywood, Tri-Captain of the Panther Football National Championship team, 1949, selected as BEST BOY ATHLETE, he was also chosen as MOST HANDSOME BOY.

MOST STUDIOUS BOY and BEST R.O.T.C. CADET titles went to Cheryl Richardson.

Mr. James C. Evans To Deliver Commencement Address May 16

As the commanding strains of “War March of the Priests,” swell from the Hammond organ, two-hundred robed and capped candidates for the various degrees and certificates to be awarded will proceed down the aisle before what is expected to be a “record breaking” crowd gathered to witness the Baccalaureate Commencement ceremonies in the Auditorium in the new Student Activity Building.

Sunday morning, May 16, at 11 o’clock.

The campus family and thousands of visitors will be on hand this day “keyed up” by pride, interest, joy and a little sadness as they witness the end of four years of college experience for the men and women of the graduating class.

Baccalaureate service will be conducted from the Hammond organ, two-hundred robed and capped candidates for the various degrees and certificates to be awarded will proceed down the aisle before what is expected to be a “record breaking” crowd gathered to witness the Baccalaureate Commencement ceremonies in the Auditorium in the new Student Activity Building.

Sunday morning, May 16, at 11 o’clock.

The campus family and thousands of visitors will be on hand this day “keyed up” by pride, interest, joy and a little sadness as they witness the end of four years of college experience for the men and women of the graduating class.

Distinguished Speaker to Deliver Address

Mr. James C. Evans, Civilian Aide to the Secretary of Defense, Washington, D.C., will deliver the commencement address. The speaker is the former Dean of the School of Engineering, West Virginia State College, Charleston, West Virginia, and has been widely acclaimed for his ability to relate himself to college audiences. The President's Day which is held simultaneously with Commencement, makes possible the joining in of the mothers and fathers with the PV family in the campus fellowship activities which are a normal part of the graduates’ “commencing to take on deeper and more realistic responsibilities as citizens of a world community.”

The PANTREE welcomes the visitors, congratulates the graduates, and halls “Dear Prairie View”—an unforgettable Alma Mater.

Near Two Hundred To Receive Degrees

The future queen of the campus anticipates a summer vacation filled with getting ready for her "imperial performances" next fall.

(Lef—Cheopatra Donley, Junior, Physical Education major at Galveston, Texas will serve as an attendant to "Miss Prairie View" next year.

(Right)—Peggy Ann Fields, Junior, Business Administration, major from Dallas, Texas, will be the queen's second attendant during the new session.
PV Debaters Victorious

In Tournament

Rouge, La., where the team won the title of champions. The members of the team are: Mrs. G. A. Levy, Chairman, of the Varsity Debating Committee; Dr. Earl Lewis, a member of the Committee also; and Mr. W. J. Nicks, Mrs. T. Pratt Allen, Miss Richie McDonald, Mr. A. I. Thomas, Miss Kathryn N. Jordan, Mr. J. E. Nix, Mr. M. Glenn, Mr. M. B. Tolson, Jr., and members of Mu Alpha Sigma Music Honorary Society.

1954 Presentation Highlights

May 2-9, provided an opportunity for campus personnel to see and hear:

Living Madonnas In Art, a tableau of artistic works reproduced by "live student-models in the Auditorium-Gymnasium, May 6; "Body and Soul.""

Bawn Spearman, tenor, in a brilliant concert, May 3;

James Chillman, Jr., professor of architecture, Rice Institute, Houston; and curator for the Contemporary Arts Museum, Houston, who delivered a lecture regarding "fine arts," May 6.

Student recitals and Delores Haley, Senior music student, in piano recital May 5;

The Fine Arts Symposium, which presented members of the College faculty in a discussion of the arts— Mr. Bernard Jefferson, Mr. Melvin B. Tolson, Jr., Dr. Leroy C. Weaver, Miss Evelyn C. Hall and Mr. Austin E. Greaux, May 6;

The Prairie View Collegians, student orchestra, in concert, May 6.

Music for Listening, daily in the College Hall, sponsored by Mu Alpha Sigma Music. Honorary Society; and

Exhibits of fifteen well-known artists' works in the W. R. Banks Library and engineering students' drawings in the Engineering Building.

Co-Chairmen of the Fine Arts Week Committee were Mr. A. G. Graeux, Mr. A. L. Weavre of the Committee were:

Dr. E. B. Evans, Dr. T. P. Dooley, Mr. O. J. Baker, Mr. W. J. Nicks, Mrs. T. Pratt Allen, Miss Richie McDonald, Miss Pearl Sewell, Dr. R. von Charlton, Miss A. L. Campbell, Mrs. Kathryn N. Jordan, Mr. J. E. Nix, Mr. M. Glenn, Mr. M. B. Tolson, Jr., and members of Mu Alpha Sigma Music Honorary Society.

Women's Glee Club Renders Vespers

The Women's Glee Club, under the direction of Miss Elia Webb Collins, instructor, Department of Music, rendered its annual concert, April 25, in the Auditorium-Gymnasium.

Seated in four tiers, wearing white, off-the-shoulder evening gowns and white gloves, the fifty female voices not only looked like a "symphony of beauty," they sang like an "angelic aggregate," also.

Against a background of green palms and white gladioli, the varied program of musical numbers took on added beauty as rising and fading spotlighting added to the impressiveness of the vocal renditions. Selections included the work of Bach, Gounod, Faure, Kropotanski, Dett, Jacobs—Bond, Kountz, Schwartz and Green.

Solos were: Letha Curtis—"Somebody's Knocking at Your Door"; Devetta Collins—"Love Is Where You Find It"; Bobbie Hamilton—"Body and Soul.""

Additions to the program included: Charles Stein's trumpet solo; "Three Abandoned" by Herbert Clark; and "Skip to My Lou" by Rieger—rendered 'midst the clapping hands of the Glee Club as a set of square-dancers (instructed by Mary Jane Lynn, Delores Haley, Student Recital Committee) enlivened the audience with "all sorts" of antics.

Women's Glee Club members were: Dr. E. B. Evans, Dr. T. P. Dooley, Mr. O. J. Baker, Mr. W. J. Nicks, Mrs. T. Pratt Allen, Miss Richie McDonald, Miss Pearl Sewell, Dr. R. von Charlton, Miss A. L. Campbell, Mrs. Kathryn N. Jordan, Mr. J. E. Nix, Mr. M. Glenn, Mr. M. B. Tolson, Jr., and members of Mu Alpha Sigma Music Honorary Society.

Crescendo’s “Talent Show Case” Is Success

As a highlight of their spring activities, the Crescendo Club gave a "Talent Show Case" featuring the members of this popular club.

The audience in a receptive mood, created by subdued lights and a stimulating background of musical notes and instruments in metallic glitter, thoroughly enjoyed the instrumental and vocal numbers the program consisted of. The affair served as a campus debut for one of the members, T. C. Carter, who sang "I Hear You Calling Me." The piano wizardry of Mr. Melvin Tolson was featured in the background.

Other participating members were: Charles Stein, Bobby Drew, Cornelia Harris, Fred Daniels, Joseph Hill, Dotson Burns, Henderson RA, Joe Glenn, Demetrion, and Wendell Venerable. William Stanifer was narrator. An invitational affair, the "brothers" and their company were "decked out" in their after 5 dresses and grey suits with maroon accessories.

Josef Hill, president of the club, announced that the "Talent Show Case" would be an annual affair, and it is hoped that it will be. The showcase concluded with the singing of the club song. Sponsors of the club are: Mr. Samuel Davis and Mr. Melvin Tolson.

Glee Club Tour Is Success

The Prairie View A&M College Male Glee Club left the campus Saturday, April 3 on its annual tour and returned Tuesday, April 6. As is customary, the group traveled by "air-conditioned" greyhound.

This year's performances were: Saturday night, April 3, Plano, Texas; Sunday night, Elizabethtown Chapel C.M.R., Dallas; Sunday night L. M. Terrell High School, Fort Worth; and the final performance Monday night at the Community Center in Dallas, Texas.

Other activities in which members of the group were involved made it unnecessary for the tour to be cut short.

Traveling with the Glee Club and highlighting the high note were, Masses: Davette Callies, who so often "solo the show" with "The Queen of Night" and "Lo! Love is Where You Find It" with Jean Williams, accompanying her; Bennie J. Douglas doing two very fine numbers: "Si Mes Vers" and "Honour, Motor, Man," and the "talented" Richard Mason; Ethel Stanton, and Bobbie Hamilton who sang as additional vocalists in quartette arrangements. Miss E. Hall, voice instructor, accompanied the group on its tour also.

In days gone by, young men in shining armor ruled the age. Today, a new kind of man rules the age—the American Knights of the Sky, the Air Force Pilots! They rule from on high, in flashing silver-winged Air Force jets... a gallant band that all America looks up to! Like the Knights of old, they are few in number, but they represent their Nation's greatest strength.

If you are single, between the ages of 19 and 26, you can join this select flying team and serve with the finest. You will be given the best jet training in the world, and graduate as an Air Force Lieutenant earning $5,000 a year. Your silver wings will mark you as one of the chosen few who ride the skies in Air Force jets.

As an Air Force pilot, your kingdom is in space—jet is your charger and your mission is the highest. You are a key defender of the American faith, with a guaranteed future both in military and commercial aviation.

Join America’s Knights of the Sky, new men of a new age. Bean Aviation Cadet! For further information, fill out this coupon.

For Fellowship...High Adventure...and a Proud Mission...wear the wings of the U. S. Air Force!

America’s Knights of the Sky

The Spartan Band that held the past, The Knights of Arthur’s reign The Light Brigade that charged the guns, Across the battle plain Can claim no greater glory than The dedicated few Whose Wands of Silver... on a field of Air Force Blue.

"It might not matter to you, young man," said the famous professor, "but how am I to know him." (Student press, "La Vela")

Major Problems of College Students Studied

Emotional difficulties and poor health habits seem to be the major health problems of American college students, according to results of a questionnaire sent to 200 college and university presidents for help in planning the Fourth National Conference on Health in Colleges to be held May 3-5 in New York.

Answers to the question asked by the Conference President, James L. McCullough, president of the University of Minnesota, also revealed that financing an adequate health service and obtaining well-trained physicians are the chief administrative problems.

Many national organizations interested in aspects of health and education are joining with the American College Health Association in sponsoring the Conference to consider ways of protecting and improving the health of college students. The theme is: Teamwork in Meeting the Health Needs of College Students.

The Conference program will include 16 working committees in which college and university presidents, deans, physicians, nurses, psychologists, specialists in physical education and health education, student counselors, and others pool their knowledge and experience to develop comprehensive health programs integrated with all college functions.

Previous conferences were held in 1931, 1935, and 1947. 44 agencies are sponsors of the 4th National Conference.

EXCEPTIONAL INCOME SPARE OR FULL TIME

COMMERCIAL AND INDUSTRIAL VENDING MACHINES

Furnished Without Charge To Our Dealers

By reliable wholesale concern, in order to establish new outlets for General Vending Merchandise and Sundry Products, PLUS a Brand New Line that is NON-COMPETITIVE in this area. We will furnish all machines and establish route without charge for responsible person who has the money to handle his merchandise for cash. You do not buy the machines, but you do keep the profits. Must have good car, good character, good credit and carry not less than $500.00 worth of merchandise.

THE ABSENT-MINDED PROFESSOR

A famous Italian professor, known for his eternal absent-mindedness, traveling one day on a suburban train could not find his ticket.

"It doesn’t matter, you can show me the ticket another time," said the inspector who had recognized him.

"It might not matter to you, young man," said the famous professor, "but how am I to know where I’m going?"

(May 1954, THE PRAIRIE VIEW PANTHER)
Did You Know That

Out of the near 3000 Prairie View students, there have not been 10 to show any interest in publishing their paper, THE PANTHER.

Many students do not begin to show concern about the "P" grades made in their Freshman and Sophomore years, until the second semester of their second year at Prairie View.

Approximately 39,863 hours are used by P.V. coeds during regular sessions to keep their "heads beautiful." The "French Blue" is the most popular contour.

Male students at Prairie View have disproved the old findings that "there is no love in the land of men when school and college, scales tend to forge ahead of reform in academic circles.

Most of those students who "date" dear old P.V. will be the first ones to return in September, more determined than ever to start "hitting" it all over.

There are students who think that "Montie Carlos" is located here in the "hill." Ever since the first year, P.V. students feel that their facul­ ty is one of the best to be found anywhere.

Some students have not recognized the difference between val­ ues and propaganda during the "Miss Prairie View" campaign.

Need For A New Student Union Building

For the physical plant of any college to be adequate, facilities for scholastic and social activities are necessary. If a student is to realize his potential on campus, the need for a new student union building is almost at the same level of importance as the student body along with the in­ crease of clubs, and other organiza­ tions. The need of a campus social center very important.

It is essential that this building of this nature and for these purposes should be erected. It can serve as headquarters for all stu­ dent activities; house the office of the Directors of student life; have game rooms and lounges for the entertainment of the students and guests; contain a snack bar, and an auditorium for dances; have an auditorium designed for meetings and the show­ ing of motion pictures; and a large room for socials and even formal dances.

The walls of the corridors in the building could be used as a "student newspaper" thus providing a place for the building young artists of the campus to exhibit their works.

By having a social center of this nature, students will get to know each other better and be more likely to make those wholesome recreational activities that young adults enjoy.

We understand that plans for the erection of a student union building are being formulated. We are happy to add this good tidings.

people who compose the nation, and the activities in which they are engaging are disrupted to the extent that the national economy is threatened, the "bottoms" of the economy falls; thereby making that nation susceptible to the enemy's pecuniary advantage. If we have not an immediate war, it is possible that in the future years to come, a world war will be the result. They realize that they could have, a few years ago, dominated more easily by using their industrial might. Thus it only increased, as did the Germans found out in the second world war, that the more one nation could drive more likely step in against any aggression toward certain European countries, the more world influence they will figure in order to obtain complete world domination, they must fire a first shot as a figure of war, by employing the tactics of a cold war by ordering her satellites to engage in costly aggressive moves, as in Korea and Indo-China; by attempting to keep a threat of war over our heads as we will over-produce, then when the economy goes through the depression, we know that during this period the minds of men are more relaxed. Not relaxed in a state of ease, but in a state of chaos and confusion. They try to develop the feeling of a wave, as they say, that keeps that peak, that confidence in the exist­ ing form of government is at its lowest ebb. With those things in mind, their plan could call for a war that is not war.

P.V. students that their facul­ ty is one of the best to be found anywhere.

Some students have not recognized the difference between val­ ues and propaganda during the "Miss Prairie View" campaign.

ROTC SPRING HIGHLIGHTS

Highlighting the ROTC's Spring activities was the coronation ceremonies which officially established Earnestine Craft, junior Home Economics major from Port Arthur, Texas, as "queen."

Pictured on the left is the queen-to-be preceding to the "throne" where she is to be crowned. She is escorted by Cadet Colonel Cluren Richardson. Center photograph shows President E. B. Evans placing the crown on "Miss ROTC's" head.

In the photograph to the right, the "ball" honoring the queen takes place as couples danced in the decorated gymnasium to celebrate the occasion.

ROTC Eve Parade

Ceremony Effective

The Annual Evening Parade Ceremony held by the R.O.T.C., and honoring the ladies of the college community, was observed April 22.

An added feature of the ceremony this year, was the presentation of the Men's Glee Club and Military Band in the rendition of "The Testament of Freedom," a setting of four passages from the writings of Thomas Jefferson, by Randall Thompson.

One of the few cantatas written for all male voices, "The Testament of Freedom" is a stirring work which embraces the four passages, "The God Who Gave Us Life;" "We Have Counted the Cost;" "We Fight Not For Glory;" and "I Shall Not Die Without Hope." Add to the choral music, the narration—which was done by Mr. M. B. Tolson, Jr., member of the instructional staff, the Division of Romance Languages—the musical accompaniment of the organ, pianos and the military band, and the dramatics of the rendition take on added depth.

During the coronation ceremonies for "Miss ROTC" recently, Miss Earnestine Craft (center) escorted by Cadet Colonel Cluren Richardson (left of queen) shared top honors. Members of the royal party are pictured above flanked on the extreme right by President E. B. Evans, who crowned Miss ROTC, and Colonel H. Y. Chase, PMS&T.

On the extreme left are Captains John J. Sarama and William J. Story, members of the military instructional staff.

Mrs. Essie C. Lopez, accompanied by the board of the organ, Richard Mason and James Hubbard at the pianos, and Mr. Ben Bowden, directed the military band.

The director of the Men's Glee Club, Mr. Connally R. Garrett, added the "Testament of Freedom" to the chorus' repertoire, "Because it is a serious work which presents a meaningful philosophy as well as a variety of interpretative vocal passages."

Following the musical presentation, the R.O.T.C. cadets "passed in review" on the parade grounds while many of the coeds and ladies of the community observed the proceedings.

Colonel H. Y. Chase, PMS&T, and the members of the military staff provided the direction of the Prairie View cadet corps.

ROTC Inspection Held

The Annual R.O.T.C. inspection was conducted on April 6. Inspecting the PV cadet corps were Colonel Thomas C. Green, Major H. G. Thompson, Major Louis J. Saxby from the area 4th Army Headquarters, San Antonio, Texas.

NHA Meet Held

The State New Homemakers of America was held at Prairie View, May 7-8.

The more than 900 delegates arrived by the following students:
Maurine Flowers, Colored High School, Jefferson, 1st vice president; Elizabeth South, Central High School, Galveston, 2nd vice president; Iris Lindsey, Anderson High School, Austin, 2nd vice president.

The theme of the meeting was "N H A in the Educational Program of Texas." It emphasized the historical development of the organization and pointed out its relationship to the educational development of Texas. The observance highlighted the Texas Centennial educational celebration which is being carried on throughout the state.

The program included "learning and practicing leadership methods, and finding different ways in which N H A could work to make better schools by improving homes in the community," stated State adviser, Mrs. Lois B. Pendergraft.

Adult supervision of N H A activities is headed in Texas by the Texas Education Agency with Miss Ruth Hays, Chief of Home and Family Life Education, serving as chairman of the state advisory board. Mrs. Lois E. Pendergraft, State N. H. A. Adviser, and Mrs. E. M. Galloway, Dean of the Prairie View School of Home Economics, assist in directing the work of homemaking teachers throughout the state.

The 6000 members in the Texas Association of N. H. A represent the second largest membership in the National Body of New Homemakers.

Winners in the Women's Division

220-Yard Dash—Walters
Broad Jump—Russell
Discus Throw—Burnes
50-Yard Dash—Walters
Shot Put—Bell
100-Yard Dash—Walters
High Jump—McDaniel
Baseball Throw—Blacknall
440-Yard Relay—Philander Smith

Men's singles tennis championship won by Brigman, Prairie View; runner-up, Gerald, Texas Southern University. Men's doubles tennis champions will be decided at a future date. Competitors will be Nicks and Singleton of Southern University and Briggs and Atkinson of Prairie View.

Women's singles Tennis winner were Hodge of Tuskegee, champion and Chase, Tuskegee, runner-up.

Doubles' champions among women were: Hodge and Mitchell of Tuskegee while Chase and Francis of Tuskegee, also, were runners-up.

THINGS TO TALK ABOUT

By FRANKLIN J. MEINE

Editor, American Peoples Encyclopedia

"About 25 million persons—or close to one out of every five persons in the United States—participated in the harvest of wildlife last spring," said Dr. Paul Meine, wildlife biologist.
Capping Ceremony

Lighted with more than a hundred candles placed throughout the Auditorium-Gymnasium, the nursing ceremony, April 11, was an impressive occasion.

President E. B. Evans, who extended "greetings on this very colorful occasion," made reference to the beginning of the nursing program at Prairie View in 1935, under the leadership of "Dr. Osborne with the assistance of everyone."

"Sister Marie Flaherty, Director of Nursing Education, Incarnate Word College, San Antonio, who served as the main speaker for the ceremony, presented a history of the development of nursing in the United States. She challenged the members of the school of nursing to accept their profession with pride and dignity, and to recognize that theirs was a profession of service to humanity for which they need never be regretful.

Sixty-three nursing candidates were presented for capping by Miss Freddie M. Burnett, Prairie View Nursing Arts Instructor.

Mrs. Maudia S. Brannon, Dean of the School of Nursing, "Capped" each nursing candidate, thereby indicating that each student was officially recognized as a candidate indicating that each student was officially recognized as a candidate for the profession.

Music for the occasion was furnished by the Student-nurses chorus directed by Miss Janie Edna Coruthers, and organist Charles E. Tatum, instructor of Social Science.
PV Has Big Delegation at Science Meet

A total of thirteen Prairie View faculty members and graduate students attended the National Convention of the Beta Kappa Chi Scientific Society and the Eleventh Anniversary Meeting of the National Institute of Science, held at Dillard University, New Orleans, La., recently.

Dr. E. E. O'Banion, Head of Prairie View's Department of Natural Sciences, is president of the RKX Society; and H. T. Jones of the College staff and Principal of the Prairie View Training School, is national vice-president, Southwestern region RKX.

Members of the College faculty who presented papers in the various sectional meetings were:

- L. C. Collins, instructor of Biology, "The Influence of ACTH, DCA and Cortisone on the Electrolyte Shift of Sodium Potassium on Blood Levels and Urinary Excretion of Ascorbic Acid in Rats.
- Albert W. Williams, chemistry instructor, one of the four writers who collaborated on "The Synthesis, Properties and Catalytic Hydrogenation of Several Aldol Substituted Ketene Molecules and Dimers." "Antioxidant Studies Concerned With the Metabolism of Carotene and Vitamin A," written by a former Prairie View Chemistry Instructor, Dr. E. G. High, Sherman Wilson, current member of the Chemistry staff, H. C. Smith, Jr., and Harold H. Taylor was presented in the Chemistry section.

Staff persons in attendance at the meeting were:

- Mrs. E. E. O'Banion, reelected to the Executive Council RKX.
- H. T. Jones, L. C. Collins, A. M. Stelz, O. L. Ward, Albert Williams, elected as Vice-President of the Southwest region.
- E. W. Hawkins, physics instructor, contributed "A Mathematical Interpretation of 'Crossing the Last Frontier'" to the Mathematics and Physics section.

Staff persons in attendance at the meeting were:

- Dr. E. E. O'Banion, reelected to the Executive Council RKX.
- E. W. Hawkins, physics instructor, contributed "A Mathematical Interpretation of 'Crossing the Last Frontier'" to the Mathematics and Physics section.

The Panther's general scholarship character and his manifestation of interest in Business Administration were helpful in his being selected the winner. The medal was presented to him at least 11,865,181 impressions during this school year. All are familiar with him in the forms of STANDARD, PANTHER, announcements, programs, invitations and bulletins.

228 Students Achieve Honor Roll

The Registrar of the College released the names of 228 students who merited "honor roll" status at the end of the first semester.

B. A. Graduate Receives Award

Arnold A. Brigman, who will receive his B.A. Degree with a major in Business Administration tomorrow morning, will also be able to take with him the Wall Street Journal Student Achievement Award.

The Award consists of a specially designed silver medal, and a year's subscription to The Wall Street Journal.

Brigman's general scholarship character and his manifestation of interest in Business Administration were helpful in his being selected the winner. The medal was presented to him at least 11,865,181 impressions during this school year. All are familiar with him in the forms of STANDARD, PANTHER, announcements, programs, invitations and bulletins.

The list of the honorees includes a number of "straight A's" whose academic records are marked by excellence in all areas of study. The list includes students from various academic disciplines, including Business Administration, Economics, Political Science, English, History, and Mathematics.

The award ceremony will be attended by faculty members, staff, and students, and will be followed by a reception in the Student Center.

Chicago College of OPTOMETRY

Excellent conditions for qualified students from southern states, afford graduates unusual opportunities.

Doctor of Optometry degree in three years for students enrolling with sixty or more semester credits in specified Liberal Arts courses.

Registration Now Open for Fall 1954 Students seeking unpaid professional recognition by the U. S. Army and Department of Defense and Selective Service, in the fields of Athletics, Athletic and recreational activities, are urged to apply immediately.

CHICAGO COLLEGE OF OPTOMETRY

1851-31st Street Chicago 14, Illinois

FREEHAND DRAWING is a vital part of the students' preparation for Engineering courses. These students are "getting the feel" of the board and the drawing pencil.
Scholarship Is Awarded

KOB's and Barons Give Annual Spring Dinner-Dance

"Le Bal du Printemps," dinner-dance, was given by the KOB's and Barons of Innovation—sister and sister clubs, at the "No. Hill Country Club," (recreation center), on April 25.

Beginning May 25, and return to their respective summer totally vacated of students. With so much help from various kinds of "rolling stock," "is easy to get the show on the road."

State Exams Scheduled May 15

Austin, Texas—Competitive examinations will be given by the Merit System Council for the Texas State Department of Health on May 15. In many counties throughout the state as the number of candidates may justify.

Special recruitment will be made for stenographers, secretaries, junior sanitary engineers, and graduate nurses.

Application forms and information are available upon request from the Merit System Council, 814 Littlefield Building, Austin, Texas.

Bennie Joubert Douglas, Miss Prairie View, 1954-55, as their queen by Senator Austin G. Goodloe, to win this award since its first presentation in 1928. Fully entitled to the crown, Iris McAlpin Heard, who is "all around" club ballroom. Murals made by the other two winners were Josephine A. Cherry and Miss Vloda juvenal, Austin apartments, and My Jr. Boyce, treasurer of the Barons of Innovation.

Music was furnished by Connie's Combo of Houston. Everyone attending had an enjoyable evening, and as music admitted, "TWAS A GALA AFFAIR FOR ALL—WHO ATTENDED THE KOB-BOI BALL."

Crescendo and 26 Give Ball

"Two a gala affair for the pledges of the Club 26, the Crescendos, and others who attended the Black and White Ball on April 29, 1954 in the auditorium gymnasium. The music was furnished by the Sam Houston College of Austin, Texas.

The dance, which is an annual affair, initiates pledges into full membership in Club 26. They receive necklaces (black and white) symbolizing their official status.

Among the main attractions were the decorations; particularly was "Le Bal du Printemps," dinner-dance, was given by the KOB's and Barons of Innovation—sister and sister club, at the "No. Hill Country Club," (recreation center), on April 25.

Having their theme—Spring in Bloom—the decorations were multi-colored, and depicted a sight under the stars 'midst colored streamers and lanterns in a large club ballroom. Murals made by the members (decorated one side of the tables and the tables for the couple), the other. White "granite" columns spaced around the room serving as background for potted plants, added to the effect. All along with decorations, helped to put all present in a mood for gaiety. Shields were made of the club symbols and decorated the walls of the banquet.

A buffet dinner was served at intermission consisting of alfido turkey and ham, chicken salad, pota­ to salad; rolls; hot dogs, punch. Also during this time club officers and members of both organizations along with their sponsors were present. The Barons crowned Miss Jireh Williams, Class of '55, as their queen by Senator Austin G. Goodloe, to win this award since its first presentation in 1928. Fully entitled to the crown, Iris McAlpin Heard, who is "all around"

The Touchstone Award is made each year to a senior R.O.T.C. student who has excelled scholastically for four years. Along with this award, Bronwood was presented a gold watch by Colonel V. J. Chase, Professor of Military Science and Tactics at Prairie View.

The Wendy W. Becker Award is made to a student who has excelled scholastically and who, in the opinion of the faculty, has contributed the most to the extra-curricular activities of the Industrial Education Division.

Bronwood in the third Port Arthur, Texas, is so this with this award since its inauguration six years ago. The other two winners were Joseph Phillips, Class of '48. Adolphiliary, Class of '49, who is now a member of the College Instructional Staff, Division of Industrial Ed.
European Industrial Tour

The proposition that "Know-how is a two way business" will be demonstrated this summer through a series of workshops and on-the-spot discussions with leaders in European industry, labor and government for a group of American executives and students of business administration and management on an Industrial Tour sponsored by Travel & Study, Inc.

In recent years leading educators in Schools of Business Administration have been concerned that executives, and in particular, members of middle management, should be drawn together for periodic discussions of common problems and have developed a series of Management Clinics based on some of the major universities in the country and catering to the needs of local firms and industries. This idea has now been extended to include analysis and assessments abroad and a comparison between European and American practice in certain key areas of management.

The 1954 "Industrial Tour" will leave New York on June 21 and will visit England, Scotland, Norway, Sweden, Denmark, Germany, Holland, Switzerland, Italy and France. There will be visits to factories and plants of all kinds according to the main specializations in the various countries—engineering, vehicles, aircrafts, shipbuilding, light and heavy electrical, food processing, transport and service industries, textiles, etc. But the main emphasis will be on discussions with management at shop floor as well as on front office level, with labor leaders, with government representatives, bankers, merchants, members of the major political parties and with officials of United Nations Specialized Agencies, not only on individual and different problems of management, but also on the general climate of opinion of Europe, on relations with the United States and on broader issues having an impact on industrial and business organization.

Detailed information on this and other programs may be obtained from Travel & Study, Inc., 119 East 57th Street, New York 22, N.Y.

TO CONVENE

Prairie View A&M College will hold a three day Institute on Health and School Sanitation, June 21-24, 1954.

Assuming that "all phases of health programs encompass the relationship of the individual or group with its environment whether it be physical, emotional or mental," the Institute is designed for school administrators, teachers, nurses and others who are primarily interested in the sanitation of the school plant and total environmental health conditions which affect the school, home and community.

The Institute will be staffed by representatives of the Division of Sanitary Engineering, and State Health Department who hold responsibilities for state-wide cooperative inspection of school plant facilities.

Dr. J. L. Brown, Director of Extramural Services, will serve as coordinator for the activities of the Institute.

3 TO RECEIVE ALUMNI AWARDS

The Prairie View Alumni Association will make three awards during Baccalaureate Commencement Convocation tomorrow, May 16.

The "Outstanding Achievement Awards" will be presented to:

Mrs. Fannie A. Robinson, Secretary-Treasurer, Grand Court Order of Calanthe, Jurisdiction of Texas, Houston.

Mr. A. Maceo A. Sloan, Executive Assistant Manager, North Carolina Mutual Life Insurance Company, Philadelphia, Pennsylvania.

Mr. A. C. McElroy, Assistant Attorney General, State of Massachusetts, Boston.

The "Outstanding Achievement Awards" are presented by the PV Alumni Association in recognition for those who have distinguished themselves for service, stated W. D. Thompson, President of the Association.

"Calendar Daze" Dazzles

Under the direction of Mrs. Myrtle B. Hyman, instructor in the Physical Education Department, the annual demonstration of the Department of Health and Physical Education was presented May 16, in the Auditorium-Gym.

Titled, "Calendar Daze," the demonstration featured male acrobats, gymnasts and dancers, and female pantomimists and dancers, also. Against a background of brilliant sun setting over the hills creviced by sprays of falling water—shadowed by scintillating mist—"Winter Carnival; Fun and Frolic, 1954," thrilled the audience of more than 2000 spectators.

Choreography was provided by both faculty and student personnel. The 1954 Annual Physical Education Demonstration is produced with the view of satisfying the needs for healthful recreation and physical development in an artistic manner.

"Calendar Daze" was produced with the full cooperation of students who contributed numerous ideas and suggestions for the entire program.
A SALUTE TO CHESTERFIELD

May, 1954 marks the 40th anniversary of the Chesterfield advertising in college newspapers. It is a pleasure to salute a company which has manifested so constantly and for so long, faith in the values inherent in the college market, and whose products have given so much pleasure to millions.

Without fanfare or sensationalism, Chesterfield has carried its friendly message to millions of readers of college newspapers, and over the years has won wide respect. Thousands still remember the famous Chesterfield slogan of yesteryear—"Such popularity must be deserved." Today college newspapers herald this message—"Today's Chesterfield is the best cigarette ever made—the largest selling cigarette ever made—of the college market, and whose products have given so much pleasure to millions.

Summer School, June 7 - August 28

With the regular school term drawing to a close, various offices have begun planning for new activities. Plans now in process involve the program for the college's 44th Annual Summer School which will begin June 7 and end August 28. Members of the regular Prairie View Summer School, which will be held in Huntsville at Sam Houston College and Prairie View College, will have at least 60 semester hours or be within 90 days of having 60 semester hours, the NAVCAD program is given four month deferments and guaranteed that they could proceed monthly, have been eased quite a bit. This does not mean that we in any way have lowered our standard of entrance requirements, but that more and more young men will be offered the opportunity of participating in the Naval Aviation Cadet Training Program than in previous months.

Secondly, college men who are within 40 days of completing 60 semester hours may now apply and be accepted pending successful completion of the term in progress. While we most certainly do not advocate any man withdrawing from school, we do recognize that there are men who feel that Selective Service and/or financial or other personal reasons, are going to force their withdrawal from school before receiving degrees.

The Navy stands firmly behind the policy of urging men to complete their college education if at all possible. The Navy also recognizes the definite advantages of the various ROTC programs, and for that reason, men who are formally enrolled in an ROTC program are ineligible for the NAVCAD program.

Men who successfully pass the mental and physical examinations and are accepted for the NAVCAD program are given four month deferments and guaranteed that they will be on active duty as a Naval Aviation Cadet before the four month deferment expires. There is no obligation incurred by taking the mental, so if you are an unmarried male citizen between 18 and 26, and have at least 60 semester hours or are within 90 days of having 60 hours, the NAVCAD program might be just for you. Contact NAVCAD, Naval Air Station, Dallas, Texas for full details.

REPORT OF F.T.A.

(Continued from Page 12)

Six workshops and discussion groups were attended by the representatives.

Business was not the main item on the agenda of the convention, because entertainment held an equal spot. On the 25th open house began at 7:00 P.M. at the Casa de Palmas Hotel in McAllen, Saturday night.

On the 25th open house began at 7:00 P.M. in the Student Union Building where everyone met and had fun. Friday evening provided an opportunity to tour Old Mexico.

Of course with all this entertainment one would think there was a convention of enjoyment. It was, and it also was of business which was carried on during the day. The 7th annual convention ended with a banquet at 7:00 P.M. at Casa de Palmas Hotel in McAllen, Saturday night.

The hospitality in Edinburg was superb, and the P.V. delegates enjoyed themselves very much.

The convention next year will be held in Huntsville at Sam Houston College and the Prairie View Chapter hopes to have a large representation there. As Reporter for the local P.T.A.

An invitation is extended to everyone interested to become a member of the local P.T.A. Chapter, especially freshmen and sophomores.

Joe M. Macker, Reporter

Today's CHESTERFIELD is the Best Cigarette Ever Made!

"Chesterfields for Me!"

Willie Myers—Star Outfielder

"Chesterfields for Me!"

The cigarette with a proven good record with smokers. Here is the record. Bi-monthly examinations of a group of smokers show no adverse effects to nose, throat and sinuses from smoking Chesterfield.

"Chesterfields for Me!"

The cigarette that gives you proof of highest quality—low nicotine. Smoke Chesterfield for the Taste and Mildness you want.

Largest Selling Cigarette in America's Colleges

"Chesterfield for Me!"

The cigarette tested and approved by 30 years of scientific tobacco research.
Band Festival Is Colorful

Maroon, gold, purple, crimson, green, black, shades of blue, and white transformed the Prairie View campus into a veritable rainbow of color March 13 and 14.

Fifty-two high school bands representing Classes A, AA, and AAA schools throughout the State—approximately 2,200 participants were present—conferred concert numbers, many of which were composed by students, according to quality, and marching drill—formation as they participated in the Intercollegiate Bands Festival which is held annually at the College.

Mr. O. J. Thomas, Director of the Intercollegiate Bands Festival, commented: "Each year, it seems that more students and bands participate in the event."

President E. E. Evans in a short talk, a member of the class stated, "The pleasure the College derives from serving as your host, and benefiting from the high quality of music which you present."

Special Awards for Division I ratings in both marching and concert were awarded the following:

Class AA—Weldon High, Glade-water; Class AAA— L. M. Zevulon; Fort Worth: Emmett Scott, Tyler; and Anderson High, Austin.

First Place in concert only; Class AA—Central High, Jefferson; M. S. Griffith, Palestine; Dunbar High, Lubbock; San Antonio, Houston; Class AAA—Central High, Galveston.

Winners in Division II ratings in both concert and marching were:

Class A—O. L. Prince High School, Taylor; and Waldo High School, Beaumont; Class B—Central High, Woodville; Herman High, Van Vleck; North Class, Kilgore; Dunbar High, Carthage; A. M. Storey, Palestine; Kervin High, Rockdale; Fidelity School, Clinton Park, Houston; Washington; Slovakia; A. M. Prince School, De Kalb; Fort Arthur; Charleston Pollard, Beaumont; and Central High, Jefferson.

Postoffice Supt. Speaks To Class

Mr. L. E. Davis, Superintendent of the Prairie View Postoffice, served as guest speaker for the Secretary Training class, recently.

Members of the class were given information relative to the history of the postal service, the relationship of the Prairie View Postoffice to the Hopedale Postoffice, and facts pertaining to the postal service. A "bureaucrat's" discussion of the topic, "Shipping and Postal Information."

In reaction to the superintendent's talk, a member of the class stated, "I never knew there was so much involved in mailing a package no bigger than an envelope."

Miss L. B. Barnett, a member of the Business Administration and Business Education Department, headed by Dr. A. S. Arnold, is instructor of the class.

Equipment Class Visits Big Town

The class in Household Equipment has gone out in a big way to gain more and better information relative to the types of equipment used in modern household operations.

Various equipment has been studied, an exhibit which illustrated much of the equipment that can be used to save time and energy in the operation of household duties was set up during "Mahaguerie," but that was only the beginning.

A planned excursion to Houston, with the supervision of M. S. Coleman, instructor for the class, provided a "highlight" of the spring activities for the members of the group.

In "big city" managers of the various stores and the Houston Power and Lighting Company opened their doors, provided guides and made everything pleasant for the class during its visit. Foster's and Jolly's not only provided guides, but planned demonstrations and lectures for the group, also.

Several members of the group 29 who made the trip stated: "Many of us are tired from walking, looking and listening; however, the trip was wonderful, and did more for us in terms of what our theory speakers of us had ever dreamed."

According to the instructor, Mrs. Coleman, who feels that "a learning class must be an active class," the excursion to Houston was being made for other groups in the future.

I E. Conference Attracts Hundreds

Hundreds of high school boys and girls attended the 20th Annual Industrial Education Conference which met at Prairie View A. & M. College on April 9-10, 1954.

The theme of the 1954 conference of Industrial Education teachers and students was "Improving Industrial Education in the Secondary Schools of Texas."

A high point of the conference was the annual Industrial Education Contest. Students brought to the conference the projects which they had completed during the school year. The projects were displayed and judged, and the students were given recognition in the form of prizes. Students enrolled in industrial education classes, according to the instructor, Mr. J. W. Rice, Business Education Department, are involved in mailing a package no bigger than an envelope.

The conference was the largest sponsored for the industrial education teachers of the State.

Ag. Experiment Station Holds Field Day

Agricultural Experiment Station 18 located on the campus held its second annual Field Day April 22 beginning at 1:30 P.M.

More than 600 farmers and ranchers, agricultural agents and vocational agriculture teachers were present for the showing of experimental projects developed at the station during the past year.

The field day program included guided tours and observation of experimental plots.

Discussion projects were led by local leaders and by research specialists from the main station at Texas A and M College.

Substation 18 at Prairie View is only agricultural experiment station located on a Negro college campus in the nation.

EXHIBITED during the Housing Conference, student architectural work filled portions of the 3d Floor, Engineering Building. Among the works displayed were drawings above done by Benno J. Yearwood, a student in junior-design classes, architectural division.

"Increasing Employment Opportunities in Industry" at the banquet of the conference the projects which students enrolled in industrial education classes, according to the instructor, Mr. J. W. Rice, Business Education Department, are involved in mailing a package no bigger than an envelope.

"Rec Hall" Is Nervous Wreck

Now that spring is upon us, 'tis true that strollers make use of the wearing sidewalks and rolling green gramineae; but there's still a very, very favorite spot that's WAY OUT . . . WITH ITS NERVOUSLY WRECKED SELF.

TO OUR NAME ADDRESSES

According to the Dean of Women, Mrs. R. L. B. Evans, the College has every reason to be proud of its “Dorm Clubs” which have become increasingly popular with the coeds throughout the campus.

In providing THE PANTHER with some of the more important features of the organizations, Dean Evans stated:

“The dormitory clubs have been instituted among the women of the campus with the view of creating and maintaining a spirit of kindredness among the occupants of the several buildings. This seems advisable because of the large number of girls who enter the institution without knowing many of their fellow co-eds.”

“Interpersonal relations in the “close” associations of the young ladies on the dormitory require that positive feeling exist between them,” added Dean Evans.

The clubs, organized by floors, are headed by a Chairman elected by the room occupants on the respective floors. The dormitory-matron serves as the sponsor for each of the clubs.

Activities are sponsored by each organization in order to “have fun” within the limits of the rules and regulations of the college and the Department of Women’s Personal Program. Each group adopts as part of its program, the helping the Supervisor of the dormitory to execute those policies which make the atmosphere of dormitory-life more wholesome and pleasant.

It is felt that many young ladies have benefited from the organizations, in that several who are inclined to be “self-contained” have “come out of their shells” and made valuable contributions to the activities of the dormitory and the college as well as a result of their affiliation with the “home group.”

MRS. BANKS

COEDS OF SUAREZ HALL POSE BENEATH THE PICTURE OF THE LATE MISS M. E. SUAREZ, for whom the dormitory was named, during one of their popular “dormitory parties.” Mrs. Olean S. McCoy is Matron of Suarez.

Suarez Hall News

One of the most popular dorms on the campus is “The Little Shamrock,” pet name given to Suarez Hall. This Junior and Senior dormitory ran back over the 1953-54 school session and see it filled with many cultural and entertaining activities.

The agenda for the year, as prepared by a committee of coeds, was followed to the hilt. The first main project was the fixing of an elaborate display for Homecoming; second, decorating the dorm for the Yuletide season; third, the giving of parties to celebrate holidays, birthdays and other occasions, and even a project where the occupants of this year will have something tangible as a remembrance token of their sojourn.

The coeds of Suarez, along with their supervisor, Mrs. Olean S. McCoy, take this opportunity to wish the seniors a fond farewell and everyone an enjoyable summer vacation.

PV Waco Club News

The Prairie View Waco Club enjoyed an evening of fun recently with a Gypsy dance.

The sidewalks leading to the Panther Inn were filled with colorfully costumed couples who resembled natives of another country, as they gaily assembled with the Wacoans for an evening of enjoyment.

“Persian punch” and American cookies were served as refreshments. As the “gypos” enjoyed themselves to the highest.

Not only does the PV-Waco Club sponsor socials, it seeks to develop good moral qualities, also. The group rendered the Sunday School program April 11.

Joe H. Mucker is President of the club and Bobbie J. Edmondson, reporter.

A BIRTHDAY PARTY HAWAIIAN STYLE honored the girls who live in Evans Hall, recently. Refreshments supplemented the festivities which included an interpretative dance executed by Shirley Thomas and Charlene Phillips (third and fourth from left, respectively, front row.)
Library Exhibits Are Beautiful

As little thought as may be given to the fact, what one sees makes a great impression on him, one way or another. This is especially true of the beautifully displayed exhibits in the W. E. Banks Library.

The library, one of the most popular and frequented buildings on the campus, is due recognition for the fine work the staff has done in the displays for Bible Week, Public School Week, Religious Emphasis Week, the coming of Spring, all the religious holidays and numerous other events.

Many campus persons never realize the observance of any special event until they visit the library where, more prepared and informative exhibits are there for the pleasure of the viewer. Both domestic and foreign exhibits contribute periodically to these displays.

The efforts of the library staff are highly appreciated by the viewers of these exhibits for their attractive design and effectiveness.

Y DELEGATE ATTENDS CONFERENCE

The annual Spring "Y" Conference was held at Rocky River Ranch, Wimberly, Texas, on March 14. The conference theme was "The Chaplain as Educator: What is Happening?" Schools represented at the conference were: University of Texas, Texas Agricultural and Mechanical College, Southeastern, Prairie View, Northwestern, Texas Southwestern, Sam Houston, Alcorn State, and Lamar Junior College.

ORCHIDS AND ONIONS

Severe Last Word"

"Onions to the men who continue to disregard the "no smoking" regulations in the "Rec. Hall."

ORCHIDS TO the Dean of Men and Women's Department for the high caliber of programs presented at Men's and Women's meetings.

ORCHIDS TO all who made the "honor roll" at the close of 1st semester.

ORCHIDS TO the students who fail to return library books on time.

ORCHIDS to all who participated in the KPFR-TV programs throughout the year.

ORCHIDS to students who deserve private and college property during Miss N.Y.'s Campaign.

FASHION PARADE IS ELEGANT

"Fashion and Charm on Parade" transformed Blackshear Field No. 2 into a boulevard of elegance, April 14, when the Charm Club and the Textiles and Clothing Department of the School of Home Economics presented their annual clothing show.

Mia Glenda Rodgers, advisor of the Club and clothing instructor, emphasized fashion and charm for the simple reason that life, itself, is charming and fashionable beauty of animal life and vegetation presents this evidence. "Students modeled their own creations which were executed in various types of fabrics.

Members of the Home Economics staff devote particular attention to the improving of personality within their several classes and laboratories.

Miss Gloria Lindsey, instructor of French, served as commentator, and Mrs. E. J. Galloway is Dean of the School.

Music for Millions

The 1954 Hit Parade has already featured numerous songs that have caught the public's fancy—and as their popularity soars, it seems they will be in the spotlight for quite a while.

Spring! One's fancy turns to romance—many are victims of Spring Fever. In seeking to tell that favorite someone how you feel toward them—maybe you can use this "Song Letter."

Dear ,

"I'll Never Walk Alone" if My "Secret Love" that's "Wanted" will "Answer Me" as I "Cross Over the Bridge" at "Ebb Tide."

Tenderly"

WHY do thousands of college smokers from coast to coast prefer Luckies to all other brands?

BECAUSE Luckies taste better.

WHY do Luckies taste better?

BECAUSE Lucky Strike means fine tobacco. And that tobacco is toasted to taste better. "It's Toasted"—the famous Lucky Strike process—brings fine tobacco to its peak of flavor. . . . tones up this light, mild, good-tasting tobacco to make it taste even better—cleaner, fresher, smoother.

SO, Be Happy—Go Lucky. Enjoy the better-tasting cigarette—Lucky Strike.

LUCKIES TASTE BETTER Cleaner, Fresher, Smoother!
