Fine Arts Week Planned

Addition Is Made To ROTC Staff
Major Elliott M. Johnson of Berkeley, California, has recently been assigned to the Prairie View ROTC unit. He will serve as assistant Professor of Military Science and Tactics.

Major Johnson has served his country approximately fourteen years as a member of the armed forces.

He entered the Army in November 1941. Prior to joining the campus military staff, the Assistant Professor was Civilian Personnel Officer at the Port of Pusan, Korea.

Having spent three years at the Howard University ROTC, Washington, D.C., has given Major Johnson previous experience with college reserve officers training programs.

The PANTHER wishes to take this opportunity to welcome the Major to our environs. May his stay be pleasant and profitable.

Music, Drama, Art To Be Featured
As a real highlight of mid-spring, the Fifth Annual Spring Fine Arts Festival promises to usher in the season with the beauties of the arts. This year’s festival, to be held April 24-29, features guest artists plus student and faculty performers.

Activities of the week begin with the Vesper Service April 24, featuring the Women’s Choir under the direction of Miss E. W. Collins. This program is designed to be one of beauty and entertainment. Add to a spectacular program the members of the Choir will exhibit their versatility in the performance of a dance number.

The first guest performer will be Miss Gloria Hines, a virtuoso of concert, stage and radio fame. Miss Hines’ appearance, April 25, holds for attendees an evening to be long remembered.

A tribute is paid to painting, April 26, when the guest speaker, James Sullivan, will begin the events of the day at an 11:00 general assembly. An art film and exhibited works by Rembrandt, Michelangelo and Renoir will conclude the activities of the day.

Students will again be featured Wednesday, April 27, at student sponsored a military band concert and a senior recital for the voice and organ.

Perry and Bees, the celebrated operetta, will be presented Thursday, April 28, at 7:30 in the auditorium. Faculty and students will star in this production. Performers are well under way and the performance promises to be a very impressive one.

Hampson Z. Barker, organizer and instructor in music department, will be featured in concert Friday, April 29. Mr. Barker recently appeared in a Houston concert sponsored by the American Guild of Organists, San Jacinto Chapter.

The Fine Arts Festival embraces music each year and includes in its activities ample opportunity for participation and enjoyment by all. Activities are under way and the general chairman of activities for the week. Participants in all activities come from various departments and fields on the campus.

The Fine Arts Festival comes at an opportune time each year to provide diversion, cultural exhilaration and real enjoyment.

NFA Starts Drive
The New Farmers of America recently spearheaded the Annual Red Cross Drive on campus. This enterprise that brought about, "Fred C. Williams, setting head of School of Agriculture, and members of the staff, participated in the initial activities to support the fund raising and educational campaign which is produced results in a new Red Cross membership record for the college.

Field College Rotk Cross committee members are: Drs. E. E. O'Bannon and J. C. Mitchell; Misses L. R. Braddock, B. E. Johnson, C. A. Wood and A. C. Alexander.

Summer Personnel Receives Duo-Benefits
By LUCILE E. FRAZIER

Attending school is the largest single organized activity universally engaged in by people of all ages. One's devotion to school is a means of his faith in education and with his faith is built.

Institutions of learning, in a way, are like gasoline service stations. One gets your car ready for the road and the other gets you ready for your road. There is a personal service. Likewise, good institutions of learning employ various facilities for comfort; free library service; enjoyable recreation; and so forth.

Prairie View College fits into this pattern by rendering services supported by the Department of Education of the Conference was held Dr. Owens, horticultunist, was Chairman.

The personal counseling is the best service rendered. Personal counseling, as rough experiences, and survival he will again, be

It is believed that American education may soon witness the most radical change in its history. The age in which we live has been one of dynamic change—much of which has been produced by conflict and violence. But man has always survived, and survive he will again, because in his never ending struggle to expand the boundaries of his knowledge, he finds a way to bet

We have need for new guideposts—particularly in methods of equipping ourselves with a happy and fruitful life in the small part of the world in which we live.

We have yet to discover the means for getting along peaceably in a world that in total offers enough for all.

That man is the father and over again that this world needs leadership, which is but another way of saying that man is the ruler and look for strength.
The Prairie View Panther

P. V. Presents Science Workshop

The science workshop presented a program June 20-24. The theme was "Creating Interest In Science Skills and Techniques." On Monday 10:00-11:30 a.m. Techniques on Preservation of Zoological Specimen by the Department of Biology under the direction of Mr. Curtis Wade.

From 2:00-3:00 p.m. there was a general discussion. "Subject: Importance of Proper Selection of Science Textbooks and Projects In Creating Interest." Under the direction of Miss D. I. Burdine — Department of Education, Wednesday 10:00-11:30 a.m. there was also a discussion subject: "Use of the Demonstration Method to Create Interest In Physics." Mr. E. K. Jones, director, "Techniques Making Models For Science Classes from 2:00-4:00 p.m. Miss Pearl Sewell, director.

Thursday, June 22, 10:00-11:30 a.m. there was a general discussion and a lecture given on "Receiving Material For Interest In Science" from the State Health Department. Dr. C. E. Yerwood, Texas State Department Director.

From 2:00-4:00 p.m. there was a field trip to the sewage disposal al tour of the Historic Northeast" July 21-August 16, 1955. Points of interest were: Evangeline Gardens, Lookout Mountain, Winston Salem, Richmond, Virginia, Williamsburg, Mt. Vernon, Gettysburg, Valley George, Philadelphia, New York Boston, Niagara Falls, Detroit, Chicago, and New Salem, Mass.

Open Air Skits Create Enthusiasm

The Family Life Education Workshop presented a skit: "Wanted: Understanding" as its open air demonstration June 23. The skit placed emphasis on the maintenance of a desirable relationship among family members. Mrs. Lydia Lyne, instructor of the class, gave additional advice based on her experiences.

The skit "Draugnet — Maladjustment: Whose Fault?" was presented by the Elementary Speech Department Workshop June 24. The purpose of the skit was to collaborate with research evidence in furnishing a valid basis for generalizing that frequently school experiences contribute toward maladjustments; and finally to show that the good school utilizes every potential to re-examine the pupil.

Other open air demonstrations are scheduled for the following dates: Public School Music Department, July 7; Special Education Department July 14.

P. V. Sponsors North-East Educational Tour

Atmosphere On P. V. Campus

The atmosphere of Prairie View A & M College Campus inspires one to become more efficient in his work. Certainly, efficiency is a standard by which a student may successfully reach his goal. "What is Efficiency?" It is doing things, not wishing you could do them, nor just dreaming about them. It is knowing how to apply theory to practice. It is self-reliance clothed with readiness.

It is persistence plus politeness. It is alertness, presence of mind, readiness to adjust one's self to the unexpected. It is the sum of the "me" against the universe. It is self-mastery, concentration, vision and common sense. It is the sum of the three quantities — purpose, practice, and patience.

It is the sum total of all that is in a man.

Trip To Monterey

June 23-26, 1955

Dr. J. L. Brown, Director of Ex-tra-Mural Activities reports the following as it relates to the trip to Monterey:

There were thirty-five persons who made the trip which was an educational tour sponsored by Prairie View A & M College for summer school students. They traveled by Greyhound bus. All arrangements for touring cards and hotel reservations were made in advance. They visited many historical places of interest. On their arrival at the campus they reported that they enjoyed the trip immensely, also expressed appreciation for seeing Old Mexico, the many sights and wonders.

Marshall V. Brown, Administrative Assistant and State Leader of the Extension Service in Texas was in charge of the group.

Speech, Ear Clinic Set Up At P. V. College

Parents of children having speech defects and impaired hearing may bring them to the Prairie View A and M College speech center for evaluation and therapy. Dr. Marcus H. Boulware, visiting professor of speech correction and audiology announced here.

The center is open daily between 1:30 and 3:30 p.m. and is located in room 102 of the Agriculture Building. Parents are asked to make appointments.

The center will serve persons who stutter and who have defects arising from loss of hearing, cerebral palsy, cleft palate and other organic disorders.

Some instruction will be given in lip reading and auditory training for those with defective hearing.

French Professor To Study At The University of Paris

Melvin R. Tolson, Jr., professor of French, has been awarded a grant by the Board of Foreign Scholarships to study abroad. Beginning in the current school year, Mr. Tolson will study French Literature at the University of Paris.

As a French and Spanish instructor, the linguist has been a member of the College's Foreign Language Department staff since 1946.

The Foreign Scholarship was authorized under Public Law 794, 79th Congress, as a feature of the U. S. Educational Exchange program.

SATURDAY CLASSES PLANNED

The Department of Extra-Mural Activities is in the process of completing plans for conducting On-Campus Saturday Classes during the 1955-56 school session. Persons who are interested in attending these classes may secure information sheet and pre-registration forms in the Admin-

HD Club Women . . .

HEAR FASHION HINTS AT P. V.

Home demonstration club women from 10 counties recently heard many valuable fashion hints given at Prairie View A. and M. College by Mrs. Jane Scott from the Simplicity Pattern Company. She spoke at length on the importance of properly fitted foundation garments, the buying of the right size pattern, the figure types, fitting problems, fabrics and designs for the regular size and for the half size. She said, "no fashion authority can tell you what one can or cannot wear." She advised, "try it on, if it lifts your spirits and causes others to express compliments, then you can wear it."

She gave illustrations of wearing the corset and the hat depending on the illusion one wishes to create. She said, "Mrs. P. R. Brown, supervisor of Home Demonstration Work, was instrumental in bringing the services of the fashion expert to the group of sixty-one women.

P. V. Y. W. C. A.

Contributes $400 To W. S. U. Fund

The Prairie View Y. W. C. A. contribution of $400 to the World Student University Fund recently was the third highest from the State of Texas.

The Prairie View once again become one of the New Farmers of America. The meeting attracted a total of near 1000 visitors—800 high school boys and nearly 200 adult advisors.

Many awards were made to those N. F. A. members whose agricultural activities had been outstanding during the past year.

Distinctions were made to those N. F. A. members whose agricultural activities had been outstanding during the past year.

24th Convention New Farmers Held At Prairie View
